

**WORK PROGRESSES AT SECOND PIER**—Shown above is balanced construction at Pier 15, second river pier from west bank on the Kingston-Rhinecliff bridge. Although this type con-

struction demands meticulous time and precision, engineers said work was going according to schedule and a plentiful supply of steel was available for the job. (Freeman photo).

## Urges Reds to Destroy Barriers of East-West

Moscow, May 16 (AP)—Premier Guy Mollet of France appealed to the Soviet Union today to destroy the barriers separating east and west.

At a Kremlin caviar and cognac luncheon, Mollet made a toast urging increased communication between the Western powers and the Communist bloc. He called on Soviet Premier Nikolai Bulganin to employ the press, radio and movies and free travel "without prejudice and without concern for propaganda."

French sources said Bulganin's reply was "very cordial."

## Sparks Set Fire To Rafters at Area Roundhouse

Flames scorched rafters in the round house of the New York Central Railroad just north of the city early Tuesday night after catching fire from locomotive sparks.

Chief Harry Lowe of Ulster Hose Company No. 5 said some work was being done on a Diesel locomotive when sparks from the engine's exhaust set fire to the rafters.

He said the fire was practically out when the company's two pumpers, tank truck and brush rabbit arrived on the scene. Railroad men had kept the fire under control by means of carbon dioxide extinguishers and a water line.

The firemen worked to reach more inaccessible spots among the rafters.

The rafters are located about 10 feet above the locomotive, it was reported.

Approximately 35 volunteers from Ulster Hose responded to the alarm which came at 7:15 p. m.

## 18 Units Signed to Date For Vols' July 28 Parade

Eighteen companies, auxiliaries and bands have already signified intention to participate in the Ulster County Volunteer Firemen's Association parade at New Paltz on Saturday, July 28.

Joseph Hasbrouck, Modena, chairman of the convention committee at the monthly meeting of the County Association last evening at Bloomington asked all companies to participate in the parade and expressed a desire that early notice be given the committee so a position in line might be assigned.

This year the companies will be assembled on side streets of the village to avoid traffic congestion and the route will be laid out so as to interfere as little as possible with traffic. The parade will start promptly at 5 p. m. and the route through the village of New Paltz will avoid main traffic arteries as much as possible.

The business session of the convention will be held on Thursday, July 26, at 8 p. m. at Ireland Corners Hotel where a buffet supper will be held, followed by entertainment. The hotel is located at the junction of Routes 208 and 55.

At the monthly meeting Tuesday evening, when the Association was the guest of Bloomington Fire Company, President Elmer Smith presided. There were 34 companies represented and approximately 125 members in attendance.

A communication was read inviting fire companies to participate in the Memorial Day parade and an invitation was also extended firemen to attend

"Exchange and meeting of ideas and of knowledge would be profitable for all—I repeat—for all, just as much for French citizens as for Soviet citizens," Mollet said.

"We have much to learn from each other . . . to break down the barriers which are raised against free movement of ideas and of men is to work for peace."

The luncheon followed a 2½ hour opening session of conversations between the French and Soviet premiers. Also participating were Foreign Ministers Christian Pineau of France and Russia's V. M. Molotov.

At the luncheon were Nikita Khrushchev, Soviet Communist party secretary; Molotov; deputy premiers Lazar M. Kaganovich, Maxim Saburov and Georgi Malenkov, and members of the Communist party presidium Ekaterina Furtseva and Dmitri Shepilov.

Mollet, the first top political figure from the Big Three western powers to visit Moscow since World War 2, arrived yesterday. He said the talks would cover European affairs, troubles in the Middle East and Far East and disarmament. Mollet emphasized on his arrival here that France will remain faithful to western allies although continually seeking "the peaceful settlement of all disagreements which exist in the world."

Faced with continuing rebellion in Algeria, Mollet plans to return home Sunday. Pineau is scheduled to extend his visit until May 24, visiting Armenia, Kiev and Leningrad.

The ambassadors of France's two western partners—Britain's Sir William Hayter and the United States' Charles E. Bohlen—were watching the progress of the talks with close attention. It was reported that the embassies of all powers allied with France were making arrangements to be kept informed of developments.

Another keenly interested participant was the U. S. woman to receive a Legion of Merit honor, died early this morning in Kingston following a long illness.

Major Clearwater, retiring officer of the U. S. Nursing Corps, was an active army nurse for 25 years, from July 1918 until May 1, 1943, when she was retired to a disability.

Her funeral will be held Saturday at 2 p. m. from the parlors of A. Carr & Son, 1 Pearl street. Burial will be in Wiltwyck Cemetery. Friends may call at the funeral home Friday between 7 and 9 p. m. There are no immediate surviving relatives.

All of her service with the army was for a continuous period except from 1922 until 1925 when she was at Cheyenne, Wyo., in connection with the opening of the Pershing Memorial Hospital in that western city.

## Committee Approves Bigger Budget for Chamber Program

A revised budget, based on expanded activities, and the results of the membership drive, has been approved by the executive committee of the Kingston Area Chamber of Commerce at a meeting Tuesday afternoon for presentation to the board of directors at the next meeting.

The proposed revised budget totals \$23,052.68 based on a May 1, 1956 balance of \$187.68; 675 memberships at \$25 and 24 sustaining memberships at \$250.

On the expenditure side, items which have been materially increased over the tentative budget include extra part-time office help, new office equipment and furniture, publicity and promo-

## Wicks Dinner Tickets Are Available Here

Tickets are still available here for the testimonial dinner to Senator Arthur H. Wicks, it was announced today by C. J. Heiselman, who is accepting reservations at the senator's office, 41 Pearl street.

The event at the Concord Hotel, Monticello, June 7, is for everybody and ladies are most welcome, he said. Friends from all sections of the state will attend to commemorate the senator's 30 years in the state legislature.

Proceeds are for the Wicks scholarship fund.

All ordering tickets this week will be sure of reservations, Mr. Heiselman said.

## Army Nurse Dies; Won Merit Award

Major Helena Clearwater, 77, of 131 St. James street, the first woman in the United States to receive a Legion of Merit honor, died early this morning in Kingston following a long illness.

Major Clearwater, retiring officer of the U. S. Nursing Corps, was an active army nurse for 25 years, from July 1918 until May 1, 1943, when she was retired to a disability.

Her funeral will be held Saturday at 2 p. m. from the parlors of A. Carr & Son, 1 Pearl street. Burial will be in Wiltwyck Cemetery. Friends may call at the funeral home Friday between 7 and 9 p. m. There are no immediate surviving relatives.

All of her service with the army was for a continuous period except from 1922 until 1925 when she was at Cheyenne, Wyo., in connection with the opening of the Pershing Memorial Hospital in that western city.

# Attack on Woman Is Admitted Jet Crashes Rest Home, 18 Die

## Disaster Is Like Bomb Blast Most of Victims Bedridden Nuns

Ottawa, May 16 (AP)—A jet fighter rocketed from 33,000 feet into a rest home for Roman Catholic nuns last night, killing 18 persons.

Most of the victims were aged and bedridden nuns. They perished in an inferno lit by the Canadian Air Force CF100 twin jet plane.

The plane smashed like a bomb into the three-story brick convalescent home of the Grey Nuns of the Cross, alongside the Ottawa river seven miles east of Ottawa.

The bodies of three nuns and a priest had been recovered from the smoldering debris early today.

Sister Marie Edmond, assistant general of the order, said there were 36 sisters in the convent.

She said that besides the known dead 11 were missing and presumed dead. Twenty-two other nuns, including three injured, escaped.

Also missing and presumed dead are the two-man crew of the plane and a woman cook employed at the home.

THE TRAGEDY was the worst of its kind in Canada though an air force bomber crashed into a Montreal tenement district in 1944, killing 16 persons.

Within seconds after the jet hit the convent was a pyre. The explosion was heard 15 miles away.

Said one eyewitness: "They never had a chance."

Sister Marie Des Martyrs, one of the last to leave the building, said flames almost blocked her exit but she managed to jump clear. She told a reporter:

"It happened so fast . . . suddenly, there was a noise like a thunderclap. The planes blew out. The window frames, made of wood, splintered and the next second there was fire everywhere."

"Strangely enough, there was no panic. We put on our slippers, slipped into our robes and made our way in orderly fashion to the fire exits."

Sister Marie said that the disaster might have been more serious if it had occurred during the summer, when occupants in the home number about 70.

THE AIR DEFENSE Command at St. Hubert, Que., said the jet had been sent up to intercept and make positive identification.

(Continued on Page 11, Col. 2)

## Rhee Elected Again; Vote Margin Down

Seoul, Korea, May 16 (AP)—Doughty old Syngman Rhee won his expected third term as South Korea's President today but strong opposition cut his vote to only about 55 per cent of the total ballots cast.

The 81-year-old Conservative, South Korea's only president since the republic was established in 1948, polled 72.6 per cent of the total vote in the 1952 election.

IN THE SEPARATE vice presidential ballots Rhee's running mate, Lee Ki Poong, was trailing Democratic party candidate Chang Myun, a former ambassador to the United States. However, Lee was still given a good chance to pull ahead in the rural counting.

Because of Rhee's advanced age, many politicians think the next vice president may well turn out to be the old man's presidential heir.

Rhee piled up a big lead in the country districts. In the big cities of Seoul and Taegu he trailed the combined total of his opponents—a dead man and a former Communist—and ran a poor second in the capital.

WITH NEARLY all of the ballots from Tuesday's election counted, unofficial returns from the national police gave Rhee 4,864,596. His living opponent on the three-man ballot, reformed Communist Cho Bong Am, polled 2,073,450.

Patrick Henry Shinicky, Democratic party candidate who died of a cerebral hemorrhage May 5, was the choice on most of the 1,762,767 ballots declared invalid. Votes for Shinicky were automatically thrown out.

AN ESTIMATED 8,600,000 voters—90 per cent of those registered—went to the polls in South Korea's second national presidential election. Rhee, a fiery old patriot who crusaded for years abroad for his country's independence from Japan, was elected by the national assembly for his initial four-year term in 1948.

Counting of the vice presidential vote, cast on a separate ballot, lagged far behind the presidential. With more than 40 per cent tallied, Chang was ahead with 2,725,982 and Lee was in second place with 2,310,139. Four other candidates trailed behind, but no majority is necessary and the job goes to the high man.

## Tide Frees Stranded Tug

Rising tides freed an unidentified tug about 6:30 p. m. Tuesday after six hours aground on Hudson river mud flats off Port Even.

The Ulster county sheriff's office received a call from a Port Even resident about noon reporting a tug stuck on the flats. The resident, Joseph Nagy, said the tug had indicated distress with five blasts on its whistle.

The vessel was reported listing at about a 45-degree angle.

The sheriff's office notified the U. S. Coast Guard which reported that a towing tug was on its way from Poughkeepsie to assist the stranded vessel.

Keeper of the Esopus Meadows Lighthouse Station told The Freeman that the tug, which was not identified, had been floated off by the tide.

**EIGHT DIE IN PLANE CRASH**—The bodies of two of the eight men killed in the crash of a company plane at Jeffersonville, Ind., are placed aboard a farm wagon. The plane, flying from Chicago to Louisville, Ky., carried six executives of a Chicago firm, the pilot and co-pilot. (NEA Telephoto)

## Rosendale Parley Told About Land Permits

Importance of signing right of entry permits enabling the U. S. Corps of Engineers to proceed with emergency flood relief was stressed at a meeting of Rosendale area residents Tuesday night in the village theatre.

Approximately 120 people from the area attended the meeting called by the Rosendale Area Flood Control Committee.

It was explained that property owners must sign right of entry permits before the Corps of Engineers could enter their lands.

Such permits may not be required from all property owners, it was pointed out, but property owners should be ready to sign when requested to do so.

It was explained that emergency flood work was delayed after the August floods on the creek because the engineers had been unable to get right of entry permits from certain property owners—despite the fact that the Corps had approved \$1,500 worth of relief work.

Since the October floods the Corps has completed approximately \$4,000 worth of emergency relief in the Rosendale area. A total of \$70,800 more has been approved with work scheduled to begin July 1.

It was announced that Malcolm Pernie, New York city hydraulics engineer, had been making a survey of the creek from the Thruway bridge to the village this week to ascertain the effect of the bridge on creek flooding.

Permanent flood control for the Rosendale area is also under study by the Corps of Engineers, it was announced, although appropriations of funds for such long-range work must be approved by Congress.

President Edmund J. O'Reilly of the Flood Control Committee was replaced at the meeting last night on motion that the office of president be declared vacant

and Herbert Kimker of Rosendale was unanimously elected. Replacement of Mr. O'Reilly came because he allegedly failed to publicize the meeting and failed to appear to conduct it, it was reported.

Supervisor George Mollenhauer of the town of Rosendale, Mayor John J. Mooney of the village, Joseph Bianco and Joseph S. Reid spoke briefly at the meeting.

Mr. Mollenhauer explained that flood work would be done by private contractors who would be liable and must carry

## Saugerties Man Held for Dealing In Stolen Goods

A 21-year-old Saugerties man who allegedly bought property stolen by two juveniles last November from a summer home in Saugerties was held for the grand jury when arraigned before Justice of the Peace Harold E. Macholdt of the town of Ulster on Tuesday.

Raymond Robert Lane of 10 South Partition street was arrested by Kingston state police on a charge of receiving stolen property—two guns, a couple of clocks, a camera and a pair of binoculars.

Lane reportedly bought the property from two juveniles who, troopers say, obtained the items in a burglary of the summer home of Jacob Mertens of Saugerties some time last November.

Trooper Jack Ripa, who made the arrest, reported that Lane sold the articles "in turn." Lane was committed to the Ulster county jail.

## Glenford Man Forces 3 to Ride Poses as Charity Solicitor at Farm

Vincent Astor Williams, 44, of Glenford, who held up, robbed and kidnapped three Delaware county women at Grand Gorge Tuesday afternoon, has confessed to State Police at Sidney that before releasing one of the women, Mrs. Jane Chase, 38, he attacked her in an abandoned house near Jefferson, 15 miles northwest of Grand Gorge.

Williams, posing as a solicitor for a local charity, entered the home of Mrs. Gertrude Davis, about 40, on the Davis chicken farm near Grand Gorge, and after robbing the women forced them into the Chase car and at gun point forced Mrs. Chase to drive toward Jefferson.

SHORTLY after Williams had entered the Davis home, about 2:30 p. m., Mrs. David Van Deusen, 26, and Mrs. Jane Chase, 38, arrived at the Davis home for a visit. They found Mrs. Davis being held up at gun point, according to State Police, Mrs. Van Deusen attempted to run away but the gunman caught her and, according to a statement to police from David Van Deusen, husband, all three women were forced to enter the Chase car. As the car was passing the Gene Sparrow farm, a short distance down the road, Mrs. Davis and Mrs. Van Deusen jumped from the car, believing Mrs. Chase would also follow. Both women were treated at Bathgate Hospital, Stamford, for bruises.

Williams was arrested by state police at Schoharie when Trooper Arnold Bardossi became suspicious of the mud-spattered car which Williams was driving.

AFTER releasing Mrs. Chase near Jefferson some two and a half hours after the holdup, Williams allegedly drove the car over back roads in an endeavor to avoid detection.

State Police said Williams admitted taking the car, jewelry and about \$10 in money, all of which was recovered. David Van Deusen told state police Williams had taken a diamond ring, wrist watch and less than \$10 in cash from Mrs. Davis.

FOLLOWING the arrest Williams was questioned at length by state police at Sidney and today they reported a statement had been obtained from Williams in which he admitted the act and also stated he had attacked Mrs. Chase before releasing her.

When arrested Williams represented himself as an importer and exporter of goods. He said he had avoided road blocks by traveling little-used country roads and it was the mud spatterer license plate which led Trooper Bardossi to become suspicious and stop the car.

Williams has a prior record of arrests and has been on parole from New York city where he allegedly stole money from a warehouse, contending at that time that the money was owed to him by a fellow employee. He was held on a misdemeanor charge at that time and sentenced to Riker's Island but placed on parole. It is believed his parole period expired recently. State police were checking his record today and it was stated he apparently had been involved in brushes with the law at other times.

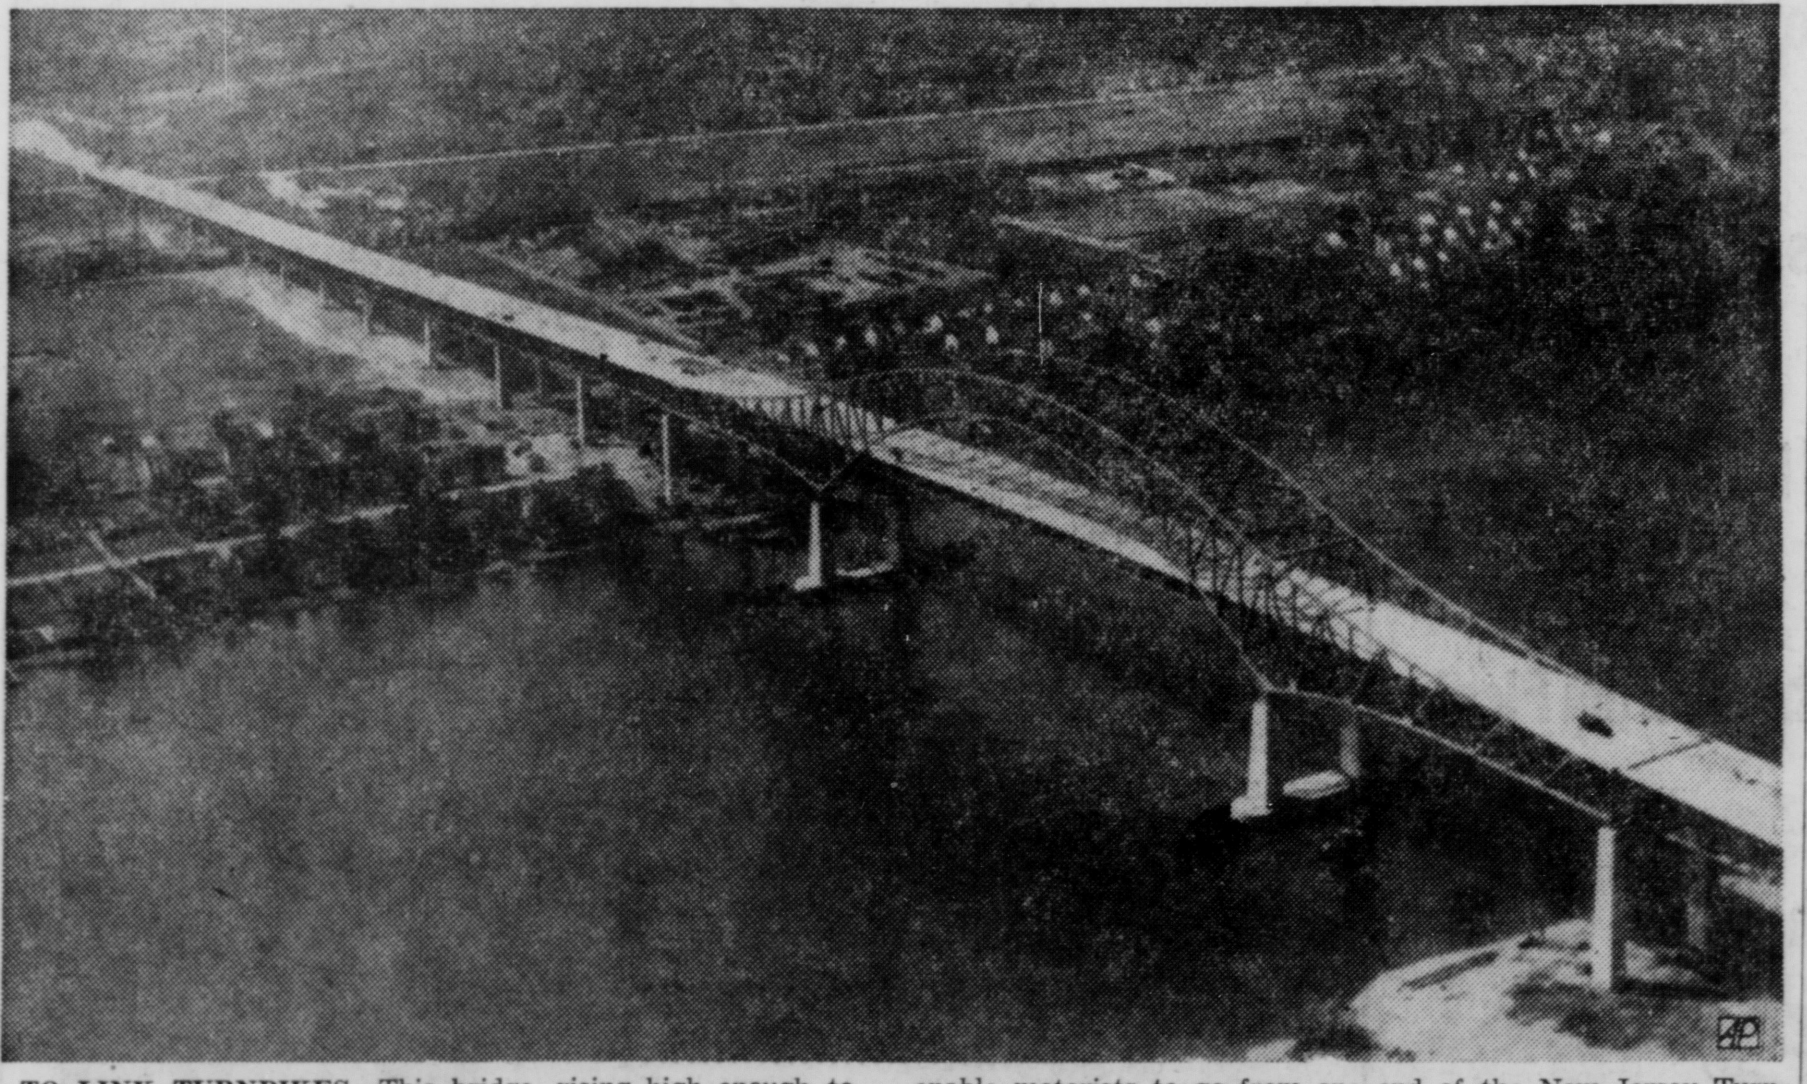

Williams lived at Glenford with his wife and three small children. He had been employed at various places in this area over a period of some four years.

ABOUT FOUR years ago he was employed as a truck driver by the Mohican Express of Glenford. He was described as an "honest, hard working man" but at times rather unstable mentally. Later he allegedly worked in Albany and New York city and while in New York city, he became involved with the law.

Since his return to Ulster county he has been employed as a helper by the Mohican Express, Wesley O'Brien said. He was also employed at the Benedictine Hospital for a time and lately by the County of Ulster at the Infirmary.

County Commissioner of Public Welfare Edward Murray said Williams had come to that department seeking aid and represented himself as experienced in hospital work. He was engaged and continued to work at the infirmary until recently when he left after an argument. He was employed as an aide at the infirmary until about two weeks ago.

Following the reported statement by Williams that he had attacked one of the women, state police said he was being held at Sidney for a hearing later today.

**TO LINK TURNPIKES**—This bridge, rising high enough to permit shipping to pass underneath at the Delaware River, will be opened to traffic May 25, connecting Pennsylvania and New Jersey Turnpikes, making them one of the longest continuous turnpike systems in the world. The bridge, between Bristol, Pa., and Burlington, N. J., a short distance north of Philadelphia, will

enable motorists to go from one end of the New Jersey Turnpike near New York City, to the western Ohio border without encountering a red light. The New Jersey Turnpike leads through New York to Connecticut, into Massachusetts. Eventually links will make it possible to go from Augusta, Me., to Chicago without encountering a crossroad. This view looks toward the Pennsylvania side. (AP Wirephoto)

OFF CENTER

Who put farm parity on the Government books? Not the Republicans! They inherited the mess!

We now have about \$7 billion of farm products under Government lock and key. All this money came from taxpayers. But surpluses are not the least of the farm problems—just some of the results. Simply cutting down production won't cure the patient.

Mr. Hutton

The farm problem exists because of lack of economic balance between country and city. Secretary Benson can't solve the farm problem by cutting down farm income from production while nothing is done about the farmers' costs.

Flexible price supports and the soil bank are devices for reducing production—income from the farm—while costs go up and up.

Higher taxes; increased minimum wages; fringe benefits; bigger and longer unemployment pay for city workers, and scores of political favors; subsidies and guarantees to labor, industry and transportation are all reflected in the farmers' costs. The farmers are sore because their fundamental plight is so misunderstood by the bigwigs in Washington. Selecting them as the only ones to go through the wringer is more than they will "take." Read the election returns next November!

Most farmers are willing to take their chances in a free market, if everybody else does. Otherwise, "special privileges for all!" Then, neighbor, on with the dance!

**SAUGERTIES NEWS****Mother and Daughter  
Banquet Set May 23**

Saugerties, May 16—The women's groups of St. Paul's Evangelical Lutheran Church of West Camp will hold a mother and daughter dinner Wednesday, May 23 in the parish hall at 6 p. m.

Mothers and daughters may be adopted for the occasion according to the committee and friends of the church are welcome as well as members.

Recognition will be made of the oldest mother, the youngest and the mother with the most daughters present.

Following the dinner a film entitled, "As the Twig Is Bent" will be shown. The program following the dinner will also include musical selections by the combined choirs and groups of the choir.

A free will offering will be received.

The committee includes Mrs. Alvin F. Messersmith, Mrs. Rodney Lasher Sr., Mrs. Charles J. Graf, Mrs. Catherine Finch, Mrs. John J. Prendergast, Mrs. Roy J. Potts and Mrs. Henry Knaust.

**District Scouters  
Personnel to Meet**

Saugerties, May 16—The first

get-together meeting of the Saugerties Scouters personnel will be held at the home of District Chairman Frank C. Sloboda, 15 Robinson street, Saugerties.

The purpose of the meeting is to explain in detail to newly elected officers and others re-elected the district plans and each man's place in the program.

**West Camp Dart Team  
Hold Annual Banquet**

Saugerties, May 16—The annual banquet of West Camp Dartball team was held Saturday night at Katsbaan Inn.

Those attending the victory banquet of the 1956 pennant winners and Saugerties World Series champs were: Mr. and Mrs. Leonard Lewis, Mr. and Mrs. Joseph Sinnott, Mr. and Mrs. Frank Sloboda, Mr. and Mrs. Joseph Sinnott, the Rev. and Mrs. Alvin F. Messersmith, Mr. and Mrs. Frank Sinnott, Mr. and Mrs. Albert J. Cavarin, Rodney Lasher Jr., and Mrs. Rodney Lasher, Sr., Herbert Pysher, Emanuel Drescher and Fred Brockway.

Mr. Lewis was captain of the victorious team and Leonard

Sinnott is captain-elect. A turkey dinner was served.

**Cedar Grove Team  
Gives Dixon Trophy**

Saugerties, May 16—A special player award was presented to Bob Dixon at the annual banquet of the Cedar Grove Dartball team Saturday night at Pine Woods House, West Saugerties. Dixon won the award as outstanding player and the one showing the greatest improvement during the 1955-1956 season.

Those attending in addition to Dixon were: Mr. and Mrs. Joseph Dengler, Mr. and Mrs. Thomas Dengler, George Dengler, Mr. and Mrs. William Terwilliger, Mr. and Mrs. William Terwilliger, Mr. and Mrs. Alfred Benson, Mr. and Mrs. John Bonelli, Mr. and Mrs. Percy Mower, Rob-

ert Mower, Mr. and Mrs. William Goff, Charles E. Bach Jr., and Michael Ostojic.

**Village Notes**

Saugerties, May 16—Mr. and Mrs. Henry Seyler of Main street motored to Boston, Mass., this weekend with Mr. Seyler's sisters, Martha and Tina Seyler, and brother, George Seyler, to visit another brother, William Seyler of Cocksackie, a victim of the explosion at Malden a few weeks ago. The Cocksackie man is undergoing skin grafting operations at the Boston hospital.

**Court of Awards**

Saugerties, May 16—All Scouts, Cubs, Explorers and Boy Scouts of the Saugerties District will participate in a District Court of Awards according to an announcement by District Commissioner William C. Plimley. One of the most important

Scouting events of the season, the court will be held Wednesday, May 23 at 7:30 p. m. in Saugerties municipal auditorium. The program will feature unit inspection and the presentation of advancement and various other awards.

## World's most popular POWER STEERING?

Buick Roadmaster 4-Passenger 4-Door Riviera

### Right this way!

EVERY YEAR, more and more new cars are equipped with Power Steering. Many a man has bought it "for the wife"—then wondered how he ever got along without it.

And if you have in mind a new car with Power Steering consider this fact:

Since the beginning of last year, Buick has sold far more new cars equipped with Power Steering\* than any other car—over 20,000 more in 1955 alone.

That's the record—and the reasons for it are just as impressive.

Buick brings you In-Line Safety Power Steering. In addition to the one-finger ease of turning common to all such systems in varying degree, it has several distinct advantages.

It gives you surer, steadier, safer control at highway speeds—because it retains that good natural "feel" of the road.

On the other hand, it gives you more power assist when you need it most—at crawl speeds and at full stop. Here, Buick's Power Steering makes wheel turning nearly twice as easy as other types of systems.

Add another plus: this Buick feature works through the new Buick front end—where a unique new geometry and steering linkage bring a sweet new response and a wonderfully easy handling and a surer "sense of direction" even to new Buicks not equipped with the power system.

So there you are—and here we are, waiting to prove it all to you.

Waiting, also, to let you try the new thrills to be had in Buick's advanced new Variable Pitch Dynaflo—where getaway response and gas

mileage both step up even before you switch the pitch.

And waiting to show you how the highest power yet, the sweetest ride yet and the boldest styling yet—all help to make this bright new beauty the Best Buick Yet.

Today is fine with us. How about you?

\*Buick's In-Line Safety Power Steering is standard on Roadmaster and Super, optional at moderate extra cost on other Series.  
†New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

### CATSKILL VACATIONLAND

The vacation summer resort communities of the Catskill Mountains are prepared for a banner year. The hotels and resorts throughout the picturesque region have renovated and enlarged their facilities to accommodate a record number of visitors this summer.

The New York State Commerce Commission reports that more than \$15,000,000 is being spent, \$12,000,000 of which is being accounted for by the hotel and bungalow colony operators in Sullivan county. Motel and hotel expansions are evident in Greene and Ulster Counties. Motels have been built at Durham and Windham. Eight motels have been constructed along Highway 9W between Kingston and Catskill and two on Highway 23 at Cairo. In Wawarsing, the Colonial Hotel is building an addition to cost \$70,000 and at Ellenville, the Falls View Hotel is making alterations to cost about \$60,000.

The growth of the Catskill Mountain Vacationland has been steady over a long period of years. Better accessibility with the Thruway and addition of the bridge across the river here will continue the progress in the years to come.

American women beat South Korea at table tennis. It's good to remember that some things besides politics are important this year.

### INVITATION TO DEATH

The story is a dreadfully familiar one—a smoldering fire; a mother and two small children dead because they awakened in clouds of dense smoke and were not able to reach safety. It is a story told and retold, with minor variations, in the daily press. But why did it happen? The real essence of this tragedy, as of so many other similar tragedies, lies in the circumstances that led up to it.

For this fire need not have occurred; these lives need not have been so terribly snuffed out. No defective wiring was involved, the house was not struck by lightning, there was no trouble with the furnace. The cause of the fire was simple carelessness.

Someone smoked a cigarette on the couch in the living room. Someone smoked there and neglected to make sure that cigarette end was stubbed out in an ash tray. As firemen reconstructed the scene, a burning fragment somehow fell onto the couch and smoldered there for hours. Thick smoke poured out into the house. Poisonous gases were formed. The mother and her children didn't have a chance.

The lesson is a simple one: Smoking and carelessness are a dangerous combination. If the lesson had been learned, and heeded, that mother and her two children would still be alive. Learning the lesson, and heeding it, may save many lives in the future.

Rockefeller Center in New York will soon have about 4,000 hyacinth and tulip plants. And we bet that's one place where the rabbits won't get them before they bloom.

### FISH HOOK U. S. PUBLIC

Don't underestimate the power of a fish. Maybe you think it not so delectable, but as food—fish is financially ahead of meat in the restaurant business. And that includes steak.

This information comes from a study just completed by the U. S. Fish and Wildlife Service. With the help of the Census Bureau, operators of 4,500 public eating places were interviewed. Two thirds of them reported that there is as much profit in fish and shell fish as there is in steak, roast beef, roast pork or chicken.

Steak had a bad time of it all the way around. Of the managers reporting, 40 per cent said there is more profit serving fish than steak. Another 29 per cent said it was a draw between the two.

Nine out of 10 operators of restaurants doing a business of \$100,000 a year or more

## 'These Days'

By GEORGE SOKOLSKY

### YANKS GO HOME

It is not amusing, for a taxpayer, to hear someone say, someone from most any country, that it would be preferable if the United States left that country. Of course, we are not really in any country, except that we helped to defend it during the war, financed its reconstruction immediately after the war, and have continued to give it one or another kind of aid since. But we have taken no territory nor have we subordinated any government to ourselves.

So, we see signs, "Yanks Go Home!" and we say that the Commies put them up. But suppose it was not the Commies who put up the signs, "Yanks Go Home!" Suppose most of the citizens of a country, let us say like France, really want us to remove ourselves, our aid, our standard of living, our conferences, air bases, NATO and everything else so that they might live their own lives as they have done for centuries with wars coming upon them quite often, most of which they lose but none of which obliterate them. I use France as an example. It might be Italy. Even little Iceland is now telling us to clear out.

How do we know that the people want our aid or want us to clear out? How do we know that the miserable signs, "Yanks Go Home!" are not really put up by anti-Russian, anti-American neutrals who want no part of great issues but prefer to live out their lives as small people, inconspicuous, unimportant but altogether contented? The wave of neutralism in the world is usually attributed to our failure in the Korean War. After such a failure every nation had to reconsider its position. If Red China could defeat the United States, anything could happen, and why take big risks? Furthermore, for the Asiatics our treatment of Chiang Kai-shek indicated a coldly logical objectivity which most nations is too frigid. Then the Dutch feel that we squeezed them out of the Dutch East Indies (Indonesia) and the French out of French Indochina (Vietnam) and Morocco. So many countries want to play safe and be neutral.

Besides, there are the bombs. Whoever uses the bomb first, who can tell who will get hurt most? When it was believed that only the United States had the bomb, we had real allies. But now, Soviet Russia claims to have as much bomb as we have. In fact, our own generals and admirals seeking appropriations, each for his own service, in a united Defense Department which is torn by increasing jealousy, continue to tell the world how much better the Russians are doing than we are. Their hope is to get bigger appropriations; the end result is to frighten the American people and to make them wonder what has been done with all the billions that have already been spent on bombs and airplanes and submarines and all sorts of things.

And more and more the taxpayer wonders how long he will continue to have to pay crushing taxes to aid the neutrals and the weak and backward nations and at the same time finance an armament race in which we fall behind the Russians, as the generals say. Isn't there one piece of good news anywhere for the American taxpayer?

Well, it might be said that peace is cheaper than war and that as long as there is peace, nobody gets killed by war and the costs are kept down. On the other hand, if what the generals say is true, namely that the Russians are beating us in the armament race, it is not at all surprising that the signs go up, "Yanks Go Home!" because nobody likes a loser and most of the world expects us to win.

As a matter of fact, a French youth was explaining to me that the Russians did not steal the bomb from us at all; that the Julius and Ethel Rosenberg story was a fabrication; that there were two ways of making the atom bomb. Apparently he was taught that in school or read it somewhere. He was not clear as to the source of that account, but was quite stubborn about its accuracy. So, if we are not so wonderful, why should not the Yanks go home?

## That Body of Yours

By JAMES W. BARTON, M.D.

### FOOD IN THE FUTURE

"Nutrition is the use we make of foods. In a very real sense man is what he eats because foods are all that the body has to work with. Therefore, nutrition is an important resource for the promotion of health, the prevention of disease, and in treatment and rehabilitation. How will this resource have developed five or ten years from now?" I am quoting Dr. B. B. Pett, Chief of the Nutrition Division of the Department of National Health and Welfare, Ottawa, in a lecture "Looking Ahead in Nutrition."

Dr. Pett feels that more nutritionists will be employed in the future on health and welfare teams, that doctors will know more about nutrition than they now do and also learn how to use a dietitian or nutritionist. He also feels that it would be rash to make predictions of what new discoveries science may bring to nutrition in the next five or ten years. "My concern is that we are not applying the things that are already known." But there are three directions that seem likely.

1. The vitamin craze is just about over and new emphasis will be placed on proteins and on minerals.

2. Foods are being provided in more convenient forms, the convenience being made more important than nutrition. However, many food manufacturers are conscious of this threat, as well as the thinking public. These developments all cost money, and the cost of food must therefore tend upward.

3. Nutrition for the elderly is sure to demand attention in the next few years. We can sum up current advice by saying that all people over 35 years of age should watch their calories, amino acids (from proteins—meat, eggs, fish), fats, minerals, and the balance among them.

So far as calories are concerned, the old advice is still the best, "Judge your calories by the company they keep"; do they supply proteins or minerals or vitamins in proper proportions? There should be a positive program for preventing excess weight, in other words, weight control at all ages. It is far easier to control weight from week to week than to take off a lot of fat.

Amino acids (contained in proteins) should be spread throughout the day in all our eating.

Fats—it is reasonable to suggest that we discourage the use of fat at any higher level than at present. This will mean watching recipes, the use of skim milk powder to a greater extent, and the use of leaner meats.

Within 25 years there will be, in the adult population, three special persons for every able-bodied worker. There will be one physically handicapped, one chronically ill, one over 65 years old. Nutrition can help every one of these groups to better and more useful lives.

### Eating Your Way to Health

Use Dr. Barton's guide, "Eating Your Way to Health" to select the proper all-around diet for you. It may be obtained by sending 25 cents, to cover cost of handling and mailing, to The Bell Syndicate, Inc., in care of The Kingston Daily Freeman, Post Office Box 99, Station G, New York 19, N. Y.

(Released by The Bell Syndicate, Inc.)

revealed there was as much if not more profit in fish than steak.

We still like a juicy tenderloin.

It's getting so that a fellow who can find a place to park leaves the car with the same feeling Columbus must have had when he sighted land.

### Timber!

## Edson's Washington News Notebook

BY PETER EDSON

NEA Washington Correspondent  
Washington (NEA)—U. S. International Cooperation Administration Offices, administering foreign aid in Bonn, Germany, and Vienna, Austria, will be closed July 1. Later in the year, says ICA Administrator John B. Hollister, offices in Rome, Italy, and Paris, France, will be closed.

This will make nine U. S. foreign economic aid missions liquidated in Europe in this fiscal year. Five were closed last September. They were in The Netherlands, Portugal, Denmark, Norway and Belgium-Luxembourg.

It will leave only five of the original Marshall Plan missions going. The principal one will be in London, for which no closing date has been set. It is still administering a sizable program of U. S. surplus disposal for British currency counterpart funds to help finance British defense.

THE GREEK and Turkish missions will be continued. Aid to these two countries and their military defense is now linked more closely with the eastern Mediterranean area.

U. S. economic aid missions in Spain and Yugoslavia are also being continued, but these two countries are not in the North Atlantic Treaty Organization. Thus far, Spain has been allocated 232 million dollars in defense support and Yugoslavia 336 million. For next year, 45 million dollars in defense support funds are being requested for Spain and 30 million for Yugoslavia.

Actually, U. S. aid to Europe has been tapering off gradually for the past two years. No new programs have been started

### Twenty and Ten Years Ago

May 16, 1936—The Kingston High School baseball team defeated Middletown 9-1.

Mrs. Jonah Marshall died at her Franklin street home.

Preliminary plans were in progress for the meeting here in June of the New York State Mayors' Conference.

May 16, 1946—The U. S. Employment Service reported a heavy area demand for help in brickyards, summer resorts and in the garment industry.

since July, 1954. The only continuing program is 12 million dollars for next year, requested to aid West Berlin's industries and help care for refugees coming from behind the Iron Curtain through East Berlin.

SO BY AND LARGE, the Marshall Plan, which was started with such a great surge of enthusiasm in 1948 and continued in the Mutual Security Program in 1953 will be liquidated by mid-1957.

Its main function, which was to aid in the economic recovery of war-torn Europe, has succeeded.

What it proves is that these foreign aid programs do not have to go on forever, but can be terminated in time.

This fact has been generally lost sight of in all the hullabaloo over President Eisenhower's request for 4.9 billion dollars to run the mutual assistance programs next year. This year's appropriation was only 2.7 billion dollars. There are 6.6 billion dollars worth of foreign aid supplies on order but not delivered.

These are the figures which make most critics of foreign aid think that it is a constantly expanding and never ending program.

THE IMPORTANT POINT most frequently overlooked in this criticism is that the big item is military aid—which must apparently continue indefinitely for U. S. security.

Out of next year's 4.9 billion dollars requested for foreign aid, 3 billion will be for military aid. And practically all of the 6.6 billion in unspent aid funds will go for military supplies.

Beginning with the Marshall Plan in 1948, the 17 free countries of western Europe have received 13.5 billion dollars worth of economic assistance. Beginning

with the Korean War in 1950, military aid to European countries has also totaled 13.5 billion. U. S. economic aid to Europe has been declining steadily from 5.7 billion dollars in 1949 to 100 million in 1955 and 1956. In this same period, what the recovering European countries have spent on their own defense has risen from 6.3 billion in 1950 to 12.4 billion this year. The seven-year total is nearly 75 billion dollars.

It's better than five dollars for every one U. S. dollar invested in Europe's defense.

Some of the world's most famous glaciers are located in Alaska and Switzerland.

MIAMI, Fla. (AP)—When Julius Ramirez' auto trunk lid sprang a leak, Ramirez sprang into the trunk and shut the lid to see if he could spot the trouble from within. Then it occurred to him the key to the automatically locking lid was in his pocket. Ramirez set up a muffled tumult. His wife telephoned police. Police dispatched a fire department rescue squad. Its leader, Lt. Harold V. Carleton, instructed Ramirez to drop the key through the spare tire drainhole to the ground, and with it released him. The leak? Ramirez didn't find it.

MIAMI, Fla. (AP)—The Pulitzer awards in journalism are ballyhooed as expressions of a noble ideal. Kent Cooper, the retired executive director of the Associated Press, recalls, with excessive pride of authorship, that in a speech at Temple Emanu-el, New York, in 1945, he originated the expression "the people's right to know." He has just now retired from the Pulitzer advisory board, which recommends individuals and papers to the trustees of Columbia University for the so-called Pulitzer prizes. Some members of this board, by their own conduct as editors and publishers, have shown themselves flagrantly unfit for this trust by suppressing and slanting news.

The Louisville Courier-Journal, of which Barry Bingham is editor, strove with all its might to frustrate a local grand jury and dupe process when a member of its own editorial staff was arrested in connection with the dynamiting of a Negro family's residence in a white neighborhood by members of a local Communist cell. This editorial employee was a member of that cell. Far from helping to solve an outrageous and dangerous crime, obedient to the "right to know," the Courier-Journal, on paper and by its radio station, hampered the constituted law enforcement agencies so strenuously that the grand jury formally protested. The employee was convicted of advocating sedition and sentenced to prison.

### Questions -- Answers

Q—When did private business colleges start?

A—About 1843, when R. M. Bartlett of Philadelphia founded what was doubtless the first school of its kind. Bookkeeping was offered, along with other commercial subjects.

Q—Is there anyone who may not buy U. S. government bonds?

A—Yes, the Secretary of the Treasury; the only other is the Treasurer of the United States.

Q—Does the human heart actually rest?

A—The heart is always in motion, never resting in the generally accepted sense of the term.

### Today in National Affairs

## Criticism of Supreme Court Goes Beyond Bias Rulings

By DAVID LAWRENCE

Washington, May 16—The Supreme Court of the United States as an institution is revered but, unfortunately, the members who happen to be justices for the time being are not always accorded the same reverence.

In fact, today among many lawyers the present Supreme Court is coming in for the most severe criticism. The justices are being spoken of as "arbitrary" and "capricious," and sometimes even the term "reckless" is heard.

The layman isn't aware immediately of the consequences that flow from dangerous decisions. Yet, as one lawyer put it, the jails could be emptied tomorrow of many criminals if their counsel should suddenly take advantage of some of the technical grounds by which criminal convictions are nowadays being reversed.

SUCH CRITICISM of the Supreme Court stems from cases that have nothing to do with the segregation issue. Thus, the other day the Supreme Court remanded a case of a convict who was charged with armed robbery. The decision was reversed because the robber was held to be too poor for his lawyer to buy a stenographic record of the case so he could file it with his appeal.

Never before has the Supreme Court said that this problem was a basis for Federal interference in a normal procedure by state courts. Lawyers are asking now what happens to cases passed upon by the United States Circuit Court of Appeals in the past? This court has had a self-imposed rule to detect errors in the record in capital cases but not in non-capital offenses. Here is an instance where, irrespective of what the lawyers for either side may claim is an error in the record, the Circuit Court of Appeals itself seeks out the error and rules on it. Is it discriminatory because this is done in certain Supreme Court cases? If the lower court's ruling is followed, there is confusion ahead and many pleas for possible reversals in criminal cases in the future as well as in opening up past cases.

ANOTHER CRITICAL decision was rendered by the Supreme Court in the matter of the credibility of witnesses. The new rule set forth in a recent case says that a case must be heard over again if a conviction in a lower court occurs as a result of testimony by a witness whose credibility has been challenged in some other case happening afterward. Where does justice begin and end, the lawyers are asking, if a witness in some other case wholly disconnected from the one at issue subsequently commits an immoral act or if he decides to perjure himself on some other matter?

Yet this is, what six justices of the Supreme Court decided as they sent back to the Subversive Activities Control Board a case to be tried again. The Communist party claimed that three witnesses had gotten into difficulties in another case and hence this invalidated their testimony.

timony. The Circuit Court of Appeals, which disregarded this plea, pointed out that there was enough evidence without it before the trial court and hence both tribunals actually passed on this very point. But the reversal was ordered by the Supreme Court just the same, and a decision as to the constitutionality of the law itself was indefinitely postponed.

"THE ONLY PURPOSE of this procedural maneuver" says the dissenting opinion of Justices Harlan, Reed and Minton, "is to gain additional time before the order to register can become effective. This proceeding has dragged out for many years now, and the function of the the Congressional purpose frustrated at a most critical time in world history."

This is not the only type of case where the Supreme Court has brought down on itself an avalanche of criticism. Virtually all the state governments and the attorneys general in charge of law enforcement are perplexed because of the 6-to-3 decision in the Steve Nelson case. Under this, state governments are told they cannot punish sedition and that only the Federal government can at present deal with such a crime.

Bills are being introduced to correct the Supreme Court's misunderstanding of Congressional intent. For, if the decision is left standing, it means that a crime committed wholly within a state and directed at the overthrow of a state government cannot be touched by a state authority and must be left to the Federal government. This means that a bigger and bigger police force will be necessary for Washington. It also means a whittling down of the rights of the states to maintain law and order within their own boundaries.

MANY BILLS are also being introduced to try to get better justices. Senator Smathers of Florida has a bill to require five years of experience on the bench. The bill of Senator Stennis of Mississippi would require at least ten years of previous service on the bench. The fact is that only one of the nine justices now on the highest court actually served any appreciable time on the bench. No constitutional amendment is needed—just a Senate rule to insist on such a qualification before it gives consent to confirming a nominee for the Supreme Court. Senator Long of Louisiana proposes an amendment to limit tenure to twelve years.

But this isn't the main complaint. It really is that too many of the nine justices have become "ideological" and interested in "causes" rather than in "objective and judicial handling of the issues of the day." The speeches made by some of the justices on current political issues have given rise to the suspicion that too many of the justices consider themselves protagonists. That's really what is worrying citizens generally who have always thought of the Supreme Court as a body completely detached from political turmoil and strife. (Reproduction Rights Reserved)

which, mind you, Kent Cooper served recently, decided on its own authority to keep its decisions secret.

"The advisory board during my term as secretary authorized no minutes of who nominated any prize winner and no minutes of who voted for or against any nominee. I initiated the indexing of all nominations and the record of all nominations at board meetings and the voting. These records have been maintained. I believe they are accurate. But, by vote of the board, they are also secret. This policy of secrecy is imposed on the university by the newspaper members of the board. Therefore I cannot personally or officially answer in regard to either of the cases" which I had brought into question.

John S. Knight, whose own string of papers has received many "prizes" from the board, wrote that he was a member when Bert Andrews got the prize.

"Frankly," he said last Jan. 23, "we had no way of knowing whether it (the Andrews handout) was a handout or not. My Washington office suspects that it may have been."

Another member who voted for Andrews did not know that the job was a lawyers' brief for a guilty client. And a third has admitted that he had suspicions but voted for Andrews anyway. Nevertheless, the board repudiates the right to know.

Over to you, Mr. Cooper. (Copyright, 1956, King Features Syndicate, Inc.)

## So They Say..

I drank plenty of whiskey and smoked all the black cigars I wanted. I still do when they'll give them to me.

—Great Lakes Capt. Wellington B. Spears on his 107th birthday.

The Communists promote the theory that because modern war has become so terrible there can be no war and that, therefore, we really have nothing to worry about. But I say this to you. On the day that communism becomes convinced it can defeat the United States without being itself destroyed—on that day war will come to the United States.

—J. Addington Wagner, national commander of the American Legion.

**Would Cut Service**

Watertown, N. Y., May 16 (AP)—Passenger service in and out of Ogdensburg and between Watertown and Utica would be cut if a plan of the New York Central Railroad is approved by the state Public Service Commission. The plan, announced yesterday, would eliminate eight trains of the railroad's St. Lawrence Division. The plan, announced yesterday, would eliminate eight trains of the railroad's St. Lawrence Division. Passenger service would operate between Massena, Watertown and Syracuse, the route that is followed by sleepers between Watertown, Massena and New York city.

Cleveland, May 16 (AP)—Robert R. Young's "Train X"—once skeptically regarded by the railroad industry—makes its debut today.

Young, now board chairman of the New York Central, had pioneered for lightweight, low-slung trains—the "Train X" concept—ever since 1947.

Things changed so fast in railroading since Young won control of the Central two years ago that today Young's "Train X" is a late starter in the lightweight train sweepstakes.

The aluminum, blue and gold streamliner makes its first public test run over the 260-mile route from Cleveland to Cincinnati with press, radio and television observers aboard.

Despite construction work at Dayton, Ohio, which will slow it up, the train, named "The Explorer," is shooting for better time than made by the Cincinnati Mercury, the fastest regularly-scheduled train between the two cities.

The Mercury's scheduled running time is 5 hours, 40 minutes westbound and 5 hours, 30 minutes eastbound. The Explorer is aiming for a run of 4 hours, 40 minutes to 5 hours—and it is making more stops than the Mercury does.

The Explorer will be on public display in Cincinnati tomorrow for the first time and then will be shown in other Ohio cities for four days.

It begins regular service between Cleveland and Cincinnati on Sunday, May 27, leaving Cleveland in the morning and returning at night. It will be a regular-fare train.

**Hilleboe Predicts Opposition to Wane on Fluorine**

Toronto, May 16 (AP)—Scientific evidence of the effectiveness of fluorine in preventing tooth decay is irrefutable, Dr. Herman E. Hilleboe, commissioner of health for New York state, said yesterday.

Hilleboe predicted that public opposition to water fluoridation will inevitably be overcome through a continuing, unemotional presentation of facts.

"However," he said, "we cannot attempt to force this new development on communities. It is our responsibility to acquaint the public with all the facts concerning new medical and dental research and programs."

Dr. Hilleboe spoke before the 89th annual convention of the Ontario Dental Association.

**Civil Service Exam**

The United States Civil Service Commission announces that applications are being accepted for Agricultural Engineering Research positions paying \$5,335 to \$10,320 a year, for duty principally in the Department of Agriculture in Washington, D. C., and throughout the United States; and for Aeronautical Research Scientist positions paying \$4,480 to \$14,800 a year, for duty in the Research Centers of the National Advisory Committee for Aeronautics located at Langley Field, Va., Moffett Field and Edwards, Calif., and Cleveland, O. Applicants must have had appropriate education, plus, for positions paying \$5,335 and above, pertinent professional experience. Graduate study may be substituted for professional experience. No written test is required.

ADVERTISE IN THE FREEMAN

### Briefly Told

Washington, May 16 (AP)—Rep. Kearney (R.-N.Y.) yesterday introduced a bill to prohibit federal appropriations for construction of flood control dams in New York, at sites selected by the corps of engineers.

The proposed dams would be located at Copes Corners near Gilbertsville on Butternut creek and at West Oneonta on Otego creek. Both proposed sites are in Otsego county.

Kearney asserted the people in the area consider the dams to be not necessary. He said legislation authorizing their construction does not specifically name the sites.

North Western, N. Y., May 16 (AP)—If Hollywood is looking for

a cowboy stunt man, Jay Clark may fill the bill. When his unattended team of horses bolted after hearing the fire siren in this Oneida county hamlet, Clark dashed 20 feet to leap aboard the careening wagon. He halted the team after a half-mile run across lawns and down the highway.

Clark is 70 years old. Washington, May 16 (AP)—Rep. Williams (R.-N.Y.) introduced legislation yesterday to provide for a potato marketing quota program which would be subject to approval by a two-thirds vote of producers.

No government price support would be involved.

Albany, N. Y., May 16 (AP)—Gov. Harriman has designated May 20-27 as Salvation Army Week in New York state.

In a proclamation yesterday he described the Salvation Army as "friend, comforter and source of renewed hope."

Saratoga Springs, N. Y., May 16 (AP)—A trainer who was driving a pacer was injured in a mishap at Saratoga Raceway yesterday.

William (Bill) Moore, 31, of Saratoga Springs, suffered a broken right collarbone when a horse, Ebony Honor, jumped at a shadow, upsetting the sulky and throwing Moore to the track.

Morrisonville, N. Y., May 16 (AP)—The body of Vincent Ohlsen, 4, was found in the Saranac river last night.

He had been missing since April 30 when he was presumed to have wandered into the river behind his home.

Two volunteer searchers, Vernon Jubert and Clifton Everleth, both from Plattsburg, found the body at Treadwells Mill dam, about two miles from the boy's home.

He was one five children of Mr. and Mrs. James Ohlsen.

Pittsburgh, May 16 (AP)—Rep.

### THEY'LL DO IT EVERY TIME (Registered U. S. Patent Office) By JIMMY HATLO

Leon H. Gavin (R.-Pa.) says a public works appropriation bill to be introduced in the House next Monday will include \$384,000 to complete preliminary planning for the proposed Allegheny river dam near Warren, Pa.

Gavin told the Pittsburgh Chamber of Commerce the money will be used to draw up plans, specifications, estimated costs and other details of the proposed 80 to 100 million dollar dam to be built about 18 miles north of Warren.

Syracuse, N. Y., May 16 (AP)—William C. Dixon, 21, was crushed to death last night when an antique car he was

working beneath fell upon him. Police said Dixon was working on the car in the driveway of his home when a bumper jack supporting the 27-year-old car broke.

He was found by his mother, Mrs. Alma S. Dixon, who was taken to a hospital suffering from shock.

A hospital doctor said a fractured skull was the probable cause of Dixon's death.

Cleveland, May 16 (AP)—College scholarships worth \$4,000 each were presented by the Erie Railroad yesterday to five children of employees.

Among the winners was Donald E. Griffin, son of Mr. and

Mrs. Joseph Griffin. The father is a signal helper at Waverly, N. Y.

The five winners were picked from 150 applicants by a board of judges not connected with the railroad. The applicants all took a scholarship test, which was graded at Western Reserve University.

The winners, who will receive \$1,000 a year for four years, can attend the college of their choice.

Phi Beta Kappa is the oldest American college Greek letter fraternity. It was organized in 1776 at William and Mary college.

### JACOBY ON BRIDGE

#### Doubleton Is Danger Sign

By OSWALD JACOBY

Written for NEA Service Today's hand helped decide a recent team match. The losing team reached five hearts and went down; the winners stopped at four hearts.

South had a finesse for his

<b>NORTH</b> 16

Opening lead—♦ 8			

contact of five hearts, but the finesse lost. He had to give up a diamond and two clubs no matter how he squirmed. Down one.

At the other table the South player felt the same slam ambition when his partner raised to three hearts. He made a

mild slam try by bidding three spades, intending to push forward if his partner gave him any encouragement. This was the safe way to try for a slam. North could not afford to encourage slam ambitions. The North hand counted up to a high number of points, but it was poor for slam purposes since it contained only one ace, no king, and no singleton. Queens and doubletons are all right for games, but they are poor material for slams. Hence North bid three no-trump in response to three spades.

This bid threw cold water on the slam. South bid four hearts, and North passed. There was no problem, of course, in fulfilling the game contract.

The hand points to an important principle in slam bidding. Avoid using a Blackwood bid of four no-trump when you have a worthless doubleton in an unbid suit. With such hands, make your try for slam without going past the game. Otherwise you'll often find yourself going down one trick at five of a major suit.

**Depends on Research**  
Detroit, May 16 (AP)—Harlow H. Curtice, president of General Motors Corp., said today the nation's survival may depend upon "more emphasis on basic research." Technological progress,

he added, was essential to the continuance "not only of American leadership in the free world, but of the democratic processes themselves." Curtice made his remarks in an address prepared for delivery over a closed circuit television network at the official dedication of GM's new giant technical center north of Detroit. The network carried the dedication ceremonies to 137 GM plants in 61 cities in the United States and Canada.

**Cancer Teaching  
Day Speaker Is  
Named for May 23**

M. B. LIPSETT

The second speaker for the Cancer Teaching Day session scheduled for Wednesday, May 23, was announced today by Dr. Milton M. Grover, Jr., director of the Ulster County Tumor Clinic.

He is Dr. Mortimer B. Lipsett whose topic will be "The Management of Advanced Cancer of the Breast."

There have been many recent advances in this field, a spokesman for the local Tumor Clinic said and added most of the new concepts have come as a result of investigations into the effect of hormones on this disease. Dr. Lipsett is especially well qualified to speak on this subject, as he has been working in the Endocrinology Department at Memorial Center under the direction of Dr. Olof Pearson.

Dr. Lipsett is a graduate of the University of Southern California School of Medicine and has been a fellow in the U. S. Public Health Service. His chief interest is endocrinology, particularly the physiology of the adrenal and pituitary glands, and the control of widespread cancer by the use of hormones.

Schweigel, Mrs. Wallace Schryver and Mrs. Samuel Tinnie are soliciting aprons for the booth for the Methodist Church summer fair.

The Dorcas Society will hold a pot-luck supper at the Reformed Church hall Tuesday, May 22, at 6:30 p. m. Committee workers include Miss Helen Schryver, Miss C. Ellsworth and Miss Edith Lowe.

Mr. and Mrs. A. H. Short and Mr. and Mrs. Edward Scully spent Mother's Day with Mr. and Mrs. Short's daughter, Mr. and Mrs. James Reilly and sons, James and Allan at Andover, Mass.

Mrs. Walter Dunlap accompanied Mr. and Mrs. Arthur Shlightner on their trip south to visit Mr. and Mrs. Shlightner's son, Robert, who was in training with the New York Giants farm organization at Melbourne, Fla.

The Rev. and Mrs. Boone L. White are motoring through the eastern states.

The Methodist Youth Fellowship will attend the spring rally at the Shandaken Methodist Church Saturday. Members will meet at the parish at 4:15 p. m. with box lunches.

Joseph Beaver, son of Mr. and Mrs. Paul Beaver, is a patient at Benedictine Hospital.

Michael Ryerson, son of Mr. and Mrs. Michael Ryerson is a patient at Benedictine Hospital.

## Practical Nurses To Hold Annual Meeting Next Week

Dr. Thomas Hale Jr., president of the Hospital Association of New York state, and Miss Mary Ellen Manley, RN, secretary of the New York State Board of Examiners of Nurses, will speak at the annual convention of Practical Nurses of New York, Inc., in New York next week. Mrs. Anna Hasselman, president of the Ulster County Division of the state nurses group, announced yesterday.

Other program speakers at the nurses convention, which will be held May 21-24 at the Henry Hudson Hotel, are Dr. Luise Lotte Horn, deputy medical superintendent, Goldwater Memorial Hospital, New York city; Miss Elise Palmer, RN, of the New York City Department of Hospitals; and David Neuwirth, attorney for the nurses association.

Mrs. Hasselman said two licensed practical nurses from Ulster county would represent the nurses of this area at the annual convention. Those planning to attend are: Mrs. Anna Hasselman, 42 Chapel street and Mrs. Beatrice E. Boyce, Trenton street.

## Frank R. DeWitt Dies; Father of Local Loan Head

Frank R. DeWitt, 92, father of Dewese W. DeWitt, executive secretary of the Home Seekers' Savings and Loan Association of Kingston, died today at Townshend, Vt.

Mr. DeWitt, who was born in Elyria, O., on February 9, 1864, was a prominent banker and public official in the state of Vermont for 50 years prior to his retirement in 1935. He was the guest of honor at a family birthday party on his 91st birthday in Kingston on Feb. 9, 1955. Funeral arrangements are incomplete.

Besides Dewese DeWitt, he is survived by two other sons, Col. Ralph B. DeWitt, USMC, of Alexandria, Va., and Frank DeWitt Jr. of Charlotte, Vt.; also a daughter, Charlotte, wife of the Rev. Paul Snyder, of Brunswick, N. J., and formerly of Kingston. His wife, the former Lena M. Ware of Hillsboro, Ill., whom he married in 1898, died in September, 1953. Twelve grandchildren and two great-grandchildren also survive.

Mr. DeWitt spent most of his life in Newfane, Vt., where for 51 years he was employed by the Windham County Savings Bank until his retirement in 1935. He

### DIED

Conner Funeral Home, Inc., 269 Fair street, Kingston, Saturday.

## Army Nurse Dies

ceive the Legion of Merit, Major Clearwater received a citation from Gov. Thomas E. Dewey for distinguished service in 1944. The Legion of Merit was presented to her in 1944.

Major Clearwater witnessed the Japanese attack on Pearl Harbor when she was stationed at Schofield Barracks, Oahu, T. H. In February of 1942 she was given the rank of captain and following a tour of duty lasting two years and three months, she left Hawaii February 24, 1943, for reassignment at Utica. After her three years of special work in Wyoming, the local woman returned to active duty with the Army Nurse Corps in 1952 and was assigned to various hospitals, including Walter Reed Hospital, Washington D. C., Denver, Colo., West Point, Tex., the Philippine Islands and China.

## Rosendale Parley

insurance to protect the property owner. Mayor Mooney described the difficulties faced by the committee in obtaining right of entry permits after the August floods. It was chiefly for this reason that Rosendale suffered so severely during the October floods, he said.

Mr. Bianco outlined the work of the committee, Mayor Mooney and Supervisor Mollenhauer described visits to the governor, Thruway authorities, conversations with the Corps of Engineers and representatives of the New York State Department of Public Works.

Mr. Reid said the ultimate goal was to restore property values in the Rosendale area and peace of mind to residents of the community. He pointed out also that restoration of property values would benefit Ulster county as well as the town and village of Rosendale.

Members of the flood control committee are Mr. Reid, chairman; Mr. Bianco, vice-president; Kenneth Roosa, photographer; Fred Pflumm and Mr. Kimker.

## Brooks Option Spooner

Brooklyn, May 16 (AP)—The Brooklyn Dodgers today optioned Karl Spooner, 24-year-old left-handed pitcher, to St. Paul of the American Association, subject to immediate recall. The Dodgers announced that Spooner would be brought back to the Dodgers as soon as he proves he can "throw hard" in two successive games. Spooner will report to St. Paul Friday. With the departure of Spooner, the Dodgers now are down to the 25-man player limit.

## Local Man Hurt In 3-Car Mishap

A Kingston man was injured slightly following a three-car collision at Clinton avenue and Main street at 10 a. m. today, police reported.

Booth H. Pendell, 39, of 60 Hinsdale street, claimed a back injury, police said, and was to be treated by a physician. Involved in the mishap was a 1950 pickup truck owned by Terwilliger Bros. Inc., 756 Albany avenue, operated by Robert W. Terwilliger, 28, of Boice's lane, a 1955 sedan owned by the New York Telephone Company, 60 Bruyn avenue, operated by Billy Smith of Shandaken and operated by Thomas H. Smith, 20, of 202 West Chestnut street.

Police said the three vehicles were headed north on Clinton avenue when the Terwilliger truck and the telephone company car went to make a left turn into Main street.

The report said the Smith vehicle struck the rear of the telephone company car which in turn struck the rear of the Terwilliger truck.

The telephone company car sustained damage to the left front light and rear tail-light while the Smith vehicle was damaged on the right front headlight and fender, police reported.

## Gardiner

Gardiner, May 16—Mrs. Ethel Williamson of Walden was a weekend guest of her son-in-law and daughter, Mr. and Mrs. Frank Boland.

Mr. and Mrs. Alfred Mangano were in Brooklyn last week when they attended the funeral of Mr. Mangano's sister, Mrs. Mary Montoya.

Mrs. Stella Woolsey spent Friday in Poughkeepsie. Mr. and Mrs. David Wiese and children of Poughkeepsie were Saturday guests of Mr. Wiese's mother, Mrs. Bertha Wiese.

Mrs. Helen Tether and son, Ivan, of Barryville, were weekend guests of her parents, Mr. and Mrs. Lewis Jayne. Mr. and Mrs. William Goldsmith and sons, Philip Jay, Ballston Lake, Mr. and Mrs. Henry Montanye and children, Gail and Jimmy of Nassau and Mr. and Mrs. Edwin Jayne and sons, Billy and Eddie of Highland, were also Sunday guests at the Jayne home.

Miss Margaret Clinton and Miss Ness Brown of New York spent the weekend at the former's home here.

Mr. George Johnson of Syracuse was a weekend guest of her cousin, Miss Edna Dugan. Mr. and Mrs. Thomas Soules and children of Poughkeepsie and Mr. and Mrs. Paul Donahue and children of Newburgh were Sunday guests of Mr. and Mrs. Thomas Murphy.

Mr. and Mrs. Stanley Scanlon and son of New York were dinner guests of Ladd Haystead at the Guilford Hotel last Saturday evening.

The winners of the Shuffleboard League were entertained at the Crossroads Inn at a dinner last Thursday evening. Bunk Yeaple entertained his team at a dinner Wednesday evening. Ladies' Auxiliary of the Gardiner Fire Department will meet Monday, May 21 at 8 p. m. Hostesses will be Mrs. Daniel Sullivan and Miss Lola Wilbur. Reformed Church Notes: Regular services will be held Sunday. Flowers in the sanctuary last Sunday were in memory of Mrs. Joseph Deyo, given by her daughter, Mrs. Dorothy Brodhead of Kingston. Rites of Baptism will be observed Sunday, June 3. At a recent meeting of the Consistory it was decided to change the time of the church services during the summer months. Beginning the first Sunday in June and continuing until the end of August, Sunday school at 9 a. m.; worship service at 10 a. m.

Service has been received here of the death of Thomas Moran at Beechhurst, L. I. He was a son of the late Mr. and Mrs. Patrick Moran of Gardiner. Funeral services were held at Beechhurst last Wednesday.

## The Joiners

News of Interest to Fraternal Organizations

The regular meeting of Kingston Chapter 153, will be held Friday, at 8 p. m. in Masonic Temple. There will be draping of the altar. Mrs. Eva Alcon, past matron, will give a report of the annual dinner meeting of the TB and Health Association which was recently held at the Governor Clinton Hotel. All members of the OES and Master Masons are welcome.

## Bomb Test Off Again

Aboard USS Mt. McKinley, Off Bikini, Thursday, May 17 (AP)—The H-bomb test was postponed again today only 1 hour and 36 minutes before shot time.

The government of New York state earns one dollar every second on the money it has invested.

## Urges Reds

ty was West German's Ambassador Wilhelm Haas. It was understood that under the subject of European affairs Mollet will explore the problem of German reunification. All Soviet newspapers today printed long front page stories of Mollet's arrival and photographs of welcoming ceremonies at the airport. There was no editorial comment, although the Communist party newspaper Pravda carried an article urging more trade between France and the Soviet Union.

## Home Sweet Home!

Tucson, Ariz. (AP)—The staff at St. Mary's Hospital was frantic when 7-year-old Jimmy Lopez, his comic books and his cleaning tissue disappeared. They found Jimmy, who was recovering from tonsillitis, at home. "They said I could go home but I got the departure of Speedy and went," he said, after walking the four miles from the hospital.

## Financial and Commercial

New York, May 16 (AP)—The stock market turned mixed today after a higher start. Most changes either way were quite small, but the range extended to around 2 points higher or lower in the early afternoon. Trading was at a moderate pace in the neighborhood of 2,500,000 shares for the day.

Almost all major divisions were mixed. Automobiles were an exception. They sagged in the face of new predictions of still lower production for the industry this year.

Quotations by Morgan Davis & Co., members of the New York Stock Exchange, 63 Wall street, New York city; branch office, 41 John street, R. B. Osterhoudt, manager.

## Late Bulletin

### B47 Bomber Crashes

London, May 16 (AP)—An American B47 Stratojet bomber crashed today in the Atlantic about 12 miles off Land's End, the U. S. Air Force announced.

A major air search was immediately launched along the south English coast.

One parachute was reported sighted about 6 1/2 miles off shore. One survivor was reported picked up by a French trawler.

The big, six-jet intercontinental bomber normally carries a crew of three.

### Mt. Marion

Mt. Marion, May 16—Mr. and Mrs. Henry Schuler of Jackson Heights, L. I. are visiting Mr. and Mrs. George Brink.

The annual Mother and Daughter banquet was served at the church hall Tuesday evening.

Addie Pleuss of New York city was a weekend guest of Mrs. Robert Snyder.

Carol Wenz and Ronald Longtoe were married in the church Sunday afternoon with the Rev. Andrew Hansen officiating.

Mrs. Evelyn Lynker has returned home from Kingston Hospital.

Barbara Myer spent the weekend in Baltimore, Md.

The Senior choir will meet at the parsonage Thursday night.

Mr. and Mrs. LeRoy Relyea of Ridgefield Park, N. J., spent Thursday with Mr. and Mrs. Fred Osterhoudt.

Mrs. Roland Tonnesen has returned from a month's vacation in Paris, France.

Mr. and Mrs. William Maloney and family of New York city were weekend guests of Mr. and Mrs. George Gillison.

A third meeting on Cub Scout-ing will be held in the church hall this evening.

Fred Whitaker is a patient at Benedictine Hospital.

## Union Center

Union Center, May 16—The recessed meeting of the local school will be held Tuesday, May 22 at 8 p. m. at the local school.

Anyone interested in the formation of a Home Bureau unit in this community is urged to contact Mrs. Edward Cochrane.

Weather permitting the Cubs and their fathers will hold their postponed cookout next Sunday at 3 p. m.

Mr. Russell, the local grade supervisor, spoke to the parents last Tuesday evening and explained to them the recent testing programs held at the school.

## Graham in Death Row Following Court Sentence

Canon City, Colo., May 16 (AP)—John Gilbert Graham joined three other condemned murderers in death row today for his first full day behind the sandstone walls of the Colorado Penitentiary.

ONE HUNDRED feet from his small cell is the state's lethal gas chamber, where he is sentenced to die the week of Aug. 26.

Graham, 24, convicted of bombing an airliner which plunged his mother and 43 others to death, was sentenced in Denver District Court yesterday by Judge Joseph M. McDonald. He then was driven here in a three-car caravan headed by Chief

**Child Health Clinic**

## GM Head Scales Down Prediction For Sales in '56

Detroit, May 16 (AP)—The president of General Motors, who last year accurately forecast record auto sales, has scaled down his 1956 prediction for the industry.

Harlow Curtice had said the current year would be the auto industry's second best with retail sales of 6½ million cars. Last night, at a news conference, Curtice cut the figure to 5,800,000.

This is 1,600,000 under 1955. It would be the third highest sales total, exceeded in 1950 and 1955.

Curtice, under questioning, said General Motors now has 500 fewer hourly employees than it did last June. He did not go into detail. He said some additional layoffs are planned for this week and that he hoped these would be the last for the 1956 model run.

He said the industry as a whole had run into several difficulties in selling cars this year. But, he said, as far as General Motors is concerned, over-production in 1955 was not one of the difficulties.

A questioner suggested that Walter Reuther, president of the United Auto Workers, and others had laid some of the blame for the poor market on over-production and oversupply of cars in 1955.

## Heads Dental Group

Syracuse, N. Y., May 16 (AP)—A Long Island dentist is the new president of the Dental Society of the State of New York. Dr. Herbert L. Taub of Jamaica was elected last night. He succeeds Dr. Ormonde J. McCormack of Syracuse. Dr. Joseph W. Martin of Rochester was named president-elect, to succeed Taub next year. Dr. Edgar C. Schick of Albany was named vice president. Re-elected were Dr. Charles A. Wilkie, Brooklyn, secretary, and Dr. George D. Greenwood, Rochester, treasurer.

## Survey Reveals Government Owns Industrial Plants

Washington, May 16 (AP)—A new survey shows the government owns a big-scale owner of commercial industrial type plants.

The results of a 17-month survey, conducted by at least 32 federal agencies under budget bureau direction, were released yesterday. It was said to be the first such inventory ever undertaken.

The report listed 19,771 business-type activities as owned by the government. The capital assets of these plants total \$11,861,590,569, according to the survey. The government operates most of the facilities. Some are run by private contractors.

The goods and services produced by these plants for government use cover a wide range. They include not only armaments and ships, but such things as ladies' underwear, shoe repair, farming, mining and logging.

Budget Director Percival Brundage described the inventory as "another step in the administration's long-term program to eliminate unnecessary government competition with our free enterprise system."

The budget bureau said the various agencies now will evaluate the activities to determine which, if any, should be discontinued. It said the Defense Department already has wound up 32 types of commercial-industrial operations.

## Wellesley College Alumnae Club Sets Thursday Meeting

MRS. JOHN G. BYLER

(Sippell Photo)

Mrs. John Gray Byler, Larchmont, president of the board of directors of the Wellesley College Alumnae Association, will be guest of honor at the Mid-Hudson Wellesley Club spring luncheon-meeting, Thursday at Wendover Farms, Poughkeepsie. The association's president, Mrs. Lloyd R. LeFever of Kingston, will conduct the session.

Election of officers will take place at the business meeting. The present slate includes Mrs. Robert H. Ramage, Hopewell Junction, first vice-president; Mrs. Richard W. Lent, New Paltz, second vice-president; Mrs. Walter M. Steppacher 3rd, Poughkeepsie, secretary and Mrs. S. Marvin Craft of Kingston, treasurer.

Mrs. Byler has been active in Wellesley club affairs in Westchester, New York city and Vermont and was elected president of the Alumnae board for a three year term at the annual meeting last June. A former director of the Larchmont Community Chest, she is presently a director of the Larchmont branch of the American Red Cross. Her husband, until recently financial vice president of the W. T. Grant Company, now is executive director of the Grant Foundation and director of the company.

Luncheon reservations are being received by Mrs. Steppacher, 29 Flower Hill, Poughkeepsie.

## 18 Units Signed

regard to Mutual Aid and response to calls from the Thruway. He said a meeting was to be held at Elmira on May 22-23 and after that meeting a report on Fire Training Schools would be made when further information would be available.

Joseph L. Murphy, former fire chief of Kingston, was present and spoke of the dedication of the Bloomington Fire Company nine years ago. He spoke of the volunteer firemen's service and its importance and said it was up to the firemen to make that service even better.

President Smith also spoke in

## Jet Crashes . . .

cation of another plane. The command said the jet's last reported altitude was 33,000 feet. The jet was based at Uplands on the outskirts of Ottawa.

"The whole building seemed to burst into flames at once," said Sister Louise Auguste, a survivor.

"It was horrible. I think everyone on the top floor must have been burned. Many on the ground floor also were unable to get out. It happened so fast . . . the whole building seemed to go up like a torch."

**SCREAMS OF** the trapped shrielled from the blazing building. Some of the nuns fought their way through the flames to safety.

At least one jumped. Rescuers saved others.

The two airmen were returning to the Ottawa's Uplands Airport after identifying an unknown aircraft. There was no indication what caused the crash. The dead priest was the Rev. Richard Ward, 42, of Toronto, assistant to the Roman Catholic chaplain of the Canadian Navy. He had been living at the convent and serving as chaplain to the nuns.

Hours after the crash, coal stored in the convent basement still fed the fire. Fire-blackened walls and a 40-foot chimney remained standing. A warped steel fire escape clung crazily to one wall.

Firemen rushed to the blazing building, valued at one million dollars, from nearby communities, the air force base and Ottawa. There was little they could do.

## 30 Farmers Sign Cards in Favor Of Union Ties

Oneonta, N. Y., May 16 (AP)—Seventy-eight dairy farmers from Otsego and Delaware counties attended a meeting designed to line up members for the Teamsters union last night. Forty farmers expressed themselves in favor of the union. Thirty signed application cards.

The meeting was sponsored by the Oneonta Local of Eastern Milk Producers Cooperative.

Officials of the Syracuse headquarters of the Eastern Cooperative said the meeting did not have the backing of the organization.

Edward Carroll, president of the Oneonta local, said last night the union's aim is to organize the entire milk industry—from farm hand to the city milkman. The teamsters already have as members the bulk of other workers in the state's milk business—truck drivers and employees who process milk in country plants.

Carroll said the union would supplement activities of the cooperative. He said the cooperative would bargain throughout the milkshed under terms of the federal-state marketing order while the union would bargain with individual milk plants. Eventually, Carroll said, the union also wanted to sign farm hands and the small local milk haulers, in order to negotiate increased wages for them.

## Bridal Shower Given For Barbara Myer

Miss Barbara Anne Myer of Mt. Marion was feted at a bridal shower last week at the home of her cousin Mrs. Francis Myer, Mt. Marion.

Miss Myer will become the bride of Lt. Maurice Hunter, U. S. Marine Corps, Saturday, 3:30 p. m. at the Dutch Reformed Church in Mt. Marion.

regard to response to calls of fire on the Thruway and reported on what his department was doing.

President Fred Sauer of the Bloomington department welcomed the firemen and following the business session refreshments were served.

The next meeting will be at Olive Bridge on June 19 when Olive Bridge Fire Department No. 1 will be host.

## Kingston Surgeon Is Elected to Blue Cross Board

DR. ROBERT F. MOSELEY

A local surgeon, Dr. Robert F. Moseley, has been elected a member of the board of Associated Hospital Service of New York (Blue Cross), according to an announcement today from Charles Garside, chairman of board and president.

Dr. Moseley is an attending surgeon at the Benedictine Hospital and Kingston Hospital. He is a consultant to the Margaret-

ville Hospital and Veterans' Memorial Hospital, Ellenville.

He was formerly affiliated with the Medical Center in Jersey City, and with the Minneapolis General Hospital.

Dr. Moseley is a diplomate of the National Board of Medical Examiners, and a member of the

## WOODSTOCK NEWS

By RICHARD E. THIBAUT, Jr.

### Laymen to Conduct Reformed Service

Woodstock, May 16—The laymen of the congregation will be in charge of the service at the Dutch Reformed Church of Woodstock, Sunday, May 20, at 11 a. m. Lamonte V. Simpkins and Fred Toms will direct the service. Parents with children may leave them in the care of the nursery if they choose.

Sunday school is held at 9:30 a. m. On Sunday, May 27, the congregations of the Lutheran, Methodist and Dutch Reformed Churches will worship together at the Reformed Church in observance of Memorial Day carrying out a custom that has been followed out in the community for more than 50 years. The message of the day will be brought by William E. Rylance of Kingston. The hour of the service will be at 11 a. m.

The ladies of the Reformed Church will hold a food sale on the church porch, Saturday, May 26, starting at 10 a. m. On Wednesday, June 13, there will be another fish and chips supper served in the Reformed Church.

Mrs. Norma Champanier has offered to give an organ recital at the Dutch Reformed Church in Woodstock Sunday night, June 3. A group from the Kingston High School Chorus, under

the direction of Leonard Stine will also have a part in the concert. There will be no admission but an offering will be received toward the Mildred W. Todd Memorial Fund. This concert will also mark the dedication of the new Allen Electronic organ as a memorial to Mrs. Todd.

### C. J. Garrison Dies; Was Summer Resident

Woodstock, May 16—Charles J. Garrison, 59, justice of the Municipal Court of the 3rd District in Manhattan since 1934, died Friday at his home, 357 W. 55th street, New York. Judge Garrison also maintained a summer home in Shady.

Judge Garrison had served for 16 years as an assistant district attorney after his graduation from Fordham University Law School. He had completed two terms as Municipal Court Justice when in 1953, with the endorsement of the Committee on Municipal Court of New York County Lawyers' Association, and the Association of the Bar of the City of New York, he was reelected as a non-partisan candidate for his third ten-year term.

He was a director of the New York County Criminal Courts Bar Association and a member of the Elks and American Legion.

Surviving are his wife, Mrs. Dolores M. McCarthy Garrison; two sons, Lawrence and Charles Garrison; two daughters, Mrs. Gloria Kreider and Miss Sally Garrison; a brother, Leo Garrison, and a grandchild.

### Lutherans to Hold Whitsunday Service

Woodstock, May 16—Whitsunday will be observed in the Woodstock Lutheran Church, May 20, with special services at which there will be a baptismal service. The confirmation of the Catechetical class and the reception of new members into the church will also be held. The pastor, the Rev. Olney E. Cook will speak on the theme "Whitsun and the Church." The choir will sing a special arrangement of "Faith of Our Fathers" by Wilson. There will be a solo by Miss Marilyn Wolven who is a member of the confirmation class. This service is in connection with the 150th Anniversary of the Church.

### Village Notes

Woodstock, May 16—The annual piano recital by the pupils of Mrs. Anna Cousins will be presented at the Woodstock Town Hall, Sunday, June 10, at 2:30 p. m. A group of 26 pupils will participate.

Mrs. Inez Carroll Richards will present a recital by her piano pupils, Sunday, June 10, at 4 p. m., at the Richards studio in Byrdcliffe.

A disc jockey is about the only person who is a success at putting on airs.

### Citizen Award Dinner for Kelly Scheduled May 31

The date for the annual Citizenship Award dinner to Joseph Kelly, city editor of The Kingston Freeman and former alderman-at-large has been set for Thursday, May 31. The dinner will be held at the Governor Clinton Hotel.

This annual award, given by Joyce-Schrick Post, 1386, Veterans of Foreign Wars, is made to honor a citizen of Kingston or vicinity, who in the opinion of the citizenship committee has done most for the community in the fields of assistance to veterans, civic duties and in aiding youth programs. Former winners were James M. Krom, Harry Ed-

son, the late E. Frank Flanagan and Herman Knaust.

As the speaker for the occasion Joyce-Schrick Post has obtained Joseph Gumo, vice commander, Department of New York, Veterans of Foreign Wars.

Tickets are now available and may be obtained from VFW members, at the post home on Delaware avenue or from John R. Mayone, general chairman of the dinner and from Joseph Roche.

### Family Music

Saginaw, Mich. (AP)—Name a tune, any tune, and chances are someone in the John Hedrich family can pick up a musical instrument and play it. All seven Hedrichs, from 8-year-old Jimmy up to mother and father, are musicians. They play drums, violin, French horn, guitar, ac-

ordion, banjo and mandolin. Music, music, music all day long with everyone practicing a different tune some times gets on mother Hedrich's nerves. "I've had to leave the house because I couldn't stand it," she says. "But I knew if I stopped them they'd lose their interest so I never did."

Original fund for the Nobel prizes was \$9,000,000, with the prize money to come from the interest on the principal.

**25 Penn Students  
Punished for Uprising**

Philadelphia, May 16 (AP)—Twenty-five students at the University of Pennsylvania have been suspended or put on probation for a "spring fever" uprising two weeks ago.

The school's committee on discipline yesterday meted out the punishment, described as the most drastic ever taken against participants in a "rowbottom"—Penn's name for noisy student uprisings on streets near the campus.

On the night of this particular rowbottom, last May 13, 116 students were arrested. Of these, 28 were held in \$500 bail for the

Grand Jury and the others were released with warnings. The committee on discipline, consisting of three student leaders and four members of the administration, did not make public the names of those penalized.

**Steel Strike Would Hurt**

New York, May 16 (AP)—Despite reports of a build-up in steel inventory, many steel consumers would be in bad shape in the event of a steel strike. The Iron Age, national metal-working weekly, said today. The magazine said that steel inventories in relation to incoming orders for manufactured items would be down to rock bottom in less than 15 days at some plants and 30 days in others.

**MAYOR BUYS FIRST LEGION POPPY**—The sale of poppies by Kingston Post 150, American Legion Auxiliary, gets under way as Mayor Frederick H. Stang makes a donation to little Terry Ryan, daughter of Morgan D. Ryan, past commander of the local Legion. The two smiling

Legion Auxiliary members are Mrs. Daniel Bittner, (left), chairman of the poppy drive and Mrs. Clarence Ryan, president of Kingston unit, who has a special interest in the sale. Terry is her granddaughter. (Freeman photo).

**DO YOU REMEMBER**

By SOPHIE MILLER

I wonder how many folks remember Harper Molyneux, the pilot who operated the Kingston Airport around the 1930's. It was just across the Washington avenue viaduct. From this airport, one could charter a flight to any part of the country. Many Kingston businessmen used this service from time to time and it came in handy during emergencies. One or more round trips to New York city were flown from this airport almost daily. It is said, that much of the photography of this section from the air was done from this airport.

In addition to these services so important to this locality at the time, there were air meets, parachute jumps, flying lessons, lessons in glider flying, etc. Even a Goodyear blimp visited the

airport a number of times and took up passengers for a nominal fee and from this blimp many Kingstonsians had a bird's eye view of this section. A Capt. Goodsell visited Kingston Airport a number of times with a tri-motored Ford monoplane and took up about a dozen passengers at one time. Every Sunday hundreds of cars would be parked at and near the airport to watch the excitement. It is said that Capt. Goodsell's plane, when new, cost over \$50,000.

When the Kingston Airport ceased operations the Kingston-Ulster Airport came into being on the Neighborhood road at Lake Katrine. They offered flying instructions there, chartered flights and otherwise had complete flying service for this locality. As far as I remember when IBM took over this land the Kingston-Ulster Airport vanished.

During the 1940's there was Aero-Lake, which had in addition to land accommodations for planes also service for seaplanes. That too has vanished. It is indeed sad, that Kingston with all its modern goings on, its Thruway, its new developments in every direction, and industrial expansion, sits here in the Hudson valley, high and dry, without an airport or flying service. Many of the teenagers who go up and down Broadway in their Jet-jobs have never seen a flying circus.

But most of all, Kingstonsians, when in need of emergency flying must make time-consuming arrangements such as a neighbor who recently had to be in Boston had to be driven to Albany, to the Ten Eyck Hotel, going through all the Albany traffic and then by special auto be driven to the airport from where she was able to get a plane out. The trip from Albany to Boston took her about 35 minutes, but she wasted a half a day getting to Albany. I wonder how many more folks have had the same experience going in other directions. Even 25 years ago, this neighbor could have left Kingston for Boston and made the entire trip in less than 2 hours.

I remember as a very little girl when my father took me to watch a Flying Circus. I was so small that the airplanes did not interest me, but a lady with fluffy hair in riding pants was sitting under a tree having a sandwich and a soda, and a man nearby at the big farm flying field was standing nearby. It was said that he was the famous Clyde Pangburn, who flew the first transatlantic heavier-than-air machine. The lady was also a famous pilot, but I do not remember her name.

**Denies Being Spy**

Washington, May 16 (AP)—"I was never a spy," V. Frank Coe told investigating senators yesterday. But he refused to say whether he is a Communist, Coe, who served in the treasury and the International Monetary Fund under the late Harry Dexter White, has been linked in congressional testimony with alleged espionage on behalf of the Soviet Union. Four years ago, Coe invoked his constitutional protection against possible self-incrimination in refusing to answer questions by the Senate Internal Security Subcommittee concerning spy accusations against him. As a result of his refusal to talk, he lost his job as secretary of the fund.

**Trumans in France**

Le Havre, France, May 16 (AP)—Harry S. Truman arrived today with Mrs. Truman on the liner United States, jaunty as ever and looking beyond his seven-week tour of Europe to some campaigning for the Democratic presidential nominee. As the liner nudged into port, the former U. S. President entered a news conference in the ship's lounge swinging a shiny black cane. He was favoring a foot injured about two weeks ago. "The crossing couldn't have been better," Truman told a horde of newsmen and photographers. He looked fresh and rested after the five-day trip.

**Morhouse Says  
Harriman Is  
Neglecting State**

Buffalo, N. Y., May 16 (AP)—Republican State Chairman L. Judson Morhouse declared today that Governor Harriman "has been neglecting his responsibilities as governor in order to travel around the country pontificating as an expert on foreign affairs."

Morhouse said Harriman "has been engaging in self-serving, vicious political attacks on President Eisenhower's foreign policy and the Geneva Conference last summer."

**THE GOVERNOR** is now on a speaking tour in the Rocky mountain states. At Butte, Mont., yesterday he said he was not an "active" candidate for the Democratic presidential nomination because he was "a very active governor."

Morhouse attacked Harriman's views on foreign policy in prepared remarks at the first of a series of regional strategy meetings with GOP leaders to study state and national vote patterns.

He linked Harriman's name with that of former President Truman, in whose administration Harriman held various posts including Ambassador to Russia.

**"THE RECORD** laughs at Harry Truman's attempt to paint Governor Harriman as a genius who knows all the answers on how to cope with Communist imperialism," said Morhouse.

He said Harriman "has been shouting that the Russians scored a 'breakthrough' at Geneva. He can, it seems, almost hear them marching up the thruway and, he contends, it's all President Eisenhower's fault."

Morhouse said "President

Eisenhower scored a great triumph at Geneva when he proved to all men everywhere that the smiling new rulers in the Kremlin are just as intent on smothering freedom in the world as was Stalin."

**HE SAID** Eisenhower put the Russian leaders "to the test with his historical proposal for mutual aerial inspection by each country of the other's military establishments and an exchange of military blueprints."

The GOP chairman said that Harriman was one of President Roosevelt's key advisers at the Yalta Conference in 1945, which he said resulted in the betrayal of "Poland and other eastern countries into Communist slavery."

"If Mr. Harriman were as dis-

trustful of Soviet 'sincerity' then, as he now claims he was," Morhouse said, "it was his responsibility to come back from Yalta and tell the American people the truth."

He said Harriman "remained silent after the Yalta tragedy, however, demonstrating that he placed political 'loyalty' above responsibility to the people."

Other regional GOP conferences are scheduled for: Syracuse, May 21; Binghamton, May 22; Staten Island, May 23; Albany, May 24; Glen Falls, May 25; and Poughkeepsie, May 28.

Most widely-used language is Chinese, including the various dialects, which is used by about 500,000,000 persons.

**New Romance Hinted**

London, May 16 (AP)—A new romance rumor cropped up today around Britain's pretty Princess Margaret. The Daily Express quoted German-born Prince Christian of Hanover as saying "I can neither confirm nor deny" rumors that he and Margaret will announce their engagement. The rumors also were noted by the Daily Mail, but it said it "understands there is no truth in these reports."

Morhouse said "President

MR. AND MRS. DONALD SHAVER (Tom Reynolds photo)

### Margaret Ruth Moore and Donald Shaver Are Wed May 5 in Dutch Reformed Church

The Dutch Reformed Church of Kingston was the scene of the wedding Saturday, May 5 at 1:30 p. m. of Miss Margaret Ruth Moore, daughter of Mrs. Florence Moore of 155 Spring street and Donald Edwin Shaver, son of Mr. and Mrs. DeForest Shaver of 96 Clinton avenue.

Snappedragons, gladioli, forsythia and candelabra formed a floral background for the double ring ceremony performed by the Rev. Virgil R. Brisco, pastor of the Christian and Missionary Alliance Church.

Prior to the ceremony, Miss Rosemary Buzzanco, soloist, sang "Because" and George Shaver, brother of the bridegroom sang "I Love You Truly." Mrs. Clarence Beecher was at the organ.

The bride, given in marriage by her brother, Robert Moore, wore a gown of taffeta covered with bridal lace and nylon tulle made in a prince's style, long tapered sleeves, fitted bodice and chapel train. Her fingertip veil was attached to a crown of bridal lace. She carried white roses and a white orchid. Mrs. George Shaver, sister-in-law of the bridegroom, made the bride's gown.

Mary Fabiano of Glasco served as matron of honor. She wore a gown of Nile green taffeta covered with nylon tulle. Her bouffant skirt was floor length and she wore yellow accessories. The honor attendant also carried a bouquet of yellow roses.

Bridesmaids included Mrs. Frances Moore, sister-in-law of the bride and Miss Audrey Justus. Mrs. Frances Moore wore a pink taffeta, floor length gown covered with nylon tulle. She wore pink accessories. Miss Audrey Justus wore a blue floor length gown. Both girls carried white carnations and irises.

Miss Judy Moore and Miss Patricia Moore were the flower girls. They are nieces of the bride. Miss Carol Shaver, niece of the bridegroom, was also a flower girl. They wore identical gowns made of taffeta in colors of Nile green, pink and blue, with rounded necks, Peter Pan collars and tiny puffed sleeves.

The bouffant skirts were floor length. The girls wore matching heart-shaped taffeta hats and carried baskets of assorted flowers.

Miss Letitia Shaver, sister of the bridegroom, served as junior bridesmaid. She wore a yellow taffeta, two piece gown tied with tiny bows at the shoulders. Her bouffant skirt was floor length. Miss Shaver also wore yellow accessories and carried white carnations and irises.

Ronald Wirth of Hurley served as best man. Ushers included DeForest Shaver and Charles Shaver, brothers of the bridegroom.

Daniel Moore, nephew of the bride, was the child ringbearer.

Following the ceremony, a reception was held at Bethany Hall for approximately 125 guests.

Mrs. Florence Moore, mother of the bride, wore a blue suit trimmed with white accessories. She wore a purple orchid corsage.

Mrs. DeForest Shaver, mother of the bridegroom was attired in

a street length mint green nylon dress with white accessories. She also wore a purple orchid corsage.

For her wedding trip, the bride chose a charcoal suit with pink accessories. Her corsage was a white orchid.

Miss Moore is a graduate of Kingston High School.

Her husband served with the U. S. Air Force for two years. Both are employed by Metropolitan Insurance Company, Hall of Records, in Kingston.

### Babbitt-DiRienzo Wedding Is Told

The Cedar Grove Church of Philadelphia, Pa., was the scene of the wedding on April 21 at 4 p. m. of Miss Louise Babbitt, daughter of Mr. and Mrs. Wesley Smith of Philadelphia and Charles Frazier DiRienzo, son of Mr. and Mrs. Warren W. Hutton, 15 Merritt avenue.

The double ring ceremony was performed by the Rev. Robert Kinsler, pastor of the Cedar Grove Church.

The bride, who was given in marriage by her father, wore a white nylon chiffon gown of ballerina length and a fingertip veil with Juliet cap of rhinestones and pearls. She carried white roses and an orchid.

The bride was attended by Miss Dolores Casper of Philadelphia. She wore a pink silk and cotton dress with white accessories and carried an old fashioned bouquet.

The bridegroom was attended by Edward D. Van Buren of 96 Cedar street.

A reception followed at the West Loresdale Club in North Philadelphia for approximately 125 guests.

The couple are now residing at 15 Merritt avenue.

## Good Taste Today

By EMILY POST (Author of Etiquette, Children Are People, etc.)

### INVITING STRANGERS

Today's first letter tells me:

"A young man whom I have been seeing quite steadily for the past year is going to graduate in June. The college to which he goes is in my home town. His mother and father are coming here for the exercises. I have never met them. Would it be proper to write and ask them to stay at our house? We have a large house and could accommodate them very easily. However, I don't want them to think me forward in doing this."

Since they are complete strangers to you, I think it would be unwise to invite them to stay at your house, but it would be nice to have your mother invite them to a meal—or possibly several meals—during their stay in your city.

### Wife Not Invited

Dear Mrs. Post: I have received an invitation to the wedding and reception of my boss' son. This was sent to me at home but did not include my wife, and I feel that I ought not to go without her unless it is usual for business employees to be invited without their wives. Will you please advise me?

Answer: It is more usual than not to invite employees and not their families. If this is the case, you should not feel that your wife is slighted. On the other hand, if other wives have been invited, you should hesitate to go without her.

### Callers at Funeral Home

Dear Mrs. Post: It is customary here to keep a register at a funeral home so callers may

sign their names and the family be given the record of who came. What shall be done about such names? Is it necessary that they be thanked for their "visit"?

Answer: Nothing need be done about them. They are merely kept so that the family can know the names of those who came to show their friendship and sympathy.

Showers are enjoyable and can be inexpensive. The gifts can be gadgets attractively wrapped and the cards be amusing. Mrs. Post's leaflet E-13, includes suggestions for various showers. Mrs. Post is sorry she cannot answer personal mail. Ask for leaflet, "Showers." To obtain a

**FUN FOR KIDDIES AT MARYGROVE**—The garden party scheduled for Saturday, June 2, at the Academy of St. Ursula promises to be a gala event. Trying out the pony that will be there from Bright Acres are, on horseback (l-r)

Richard Mino and Bart Dutto. Awaiting their turn for a ride are (l-r) Barbara Dutto, Roland Augustine Jr., Kathleen Maloney and Christine Maloney. (Freeman photo)

### Annual Garden Party at Marygrove Set For June 2; Proceeds for Building Fund

"Paris in the Spring" will be the theme of the annual garden party sponsored by the Parents' Association of the Academy of St. Ursula on Saturday, June 2, according to Mrs. Bartholomew Dutto, chairman of the event.

The party will be held in the gardens of Marygrove and proceeds will be used for the general building fund.

The affair will provide a day of fun and activity for children, parents, teachers and friends.

Booths of various types will be erected on the grounds and awards will be made.

Chairmen of the booths include: Mrs. Thomas Roach, pond; Mrs. William Zates, hand-made articles; Mrs. Primo Montafia, flowers; Mrs. Vincent Cahill, refreshments; Mrs. George Einterz perfume; Mrs. James Maloney, books and records; Mrs. George Rifenburg, marionettes; Mrs. Stephen Keating, odds and ends; Mrs. Andrew Grier, dolls; Mrs. Roland Augustine, pony; Mrs. Raymond Mino, grab bag; Mrs. Robert Kershaw, salads; Mrs. Joseph McCann, cake; alumni association, Christmas articles; senior class, candy; Mrs. John Snyder, publicity.

### Costello Sisters Attend Party Given In Hollywood

Marie and Lucille Costello, daughters of Mr. and Mrs. Flavio Castiglione of Ulster Landing, attended a bridal shower given in honor of their friend, Mary Busdon, at the home of Mrs. Danny Thomas, wife of the well-known radio, television and stage comedian in Hollywood, Calif.

Miss Busdon will wed a well-known Hollywood artist, William Brent, and Marie Costello will serve as her maid of honor.

Miss Costello will be remembered in this area for her appearances with Coach House Players in a number of their productions. She has also sung with several bands and now re-

sides in Hollywood, Calif., with her sister.

Agudas Achim Sisterhood Holds Mother's Day Program

Sisterhood of Congregation Agudas Achim held its annual Mother's Day program at the last meeting of the season last week. The Mother's Day theme was stressed and participating in the program were four generations of women in the same family. They were Mrs. Sophie Dubin, Mrs. Benjamin Suskind, Mrs. David Kline and Miss Lenore Kline.

Gifts were presented to all the members of the Sisterhood present.

Refreshments were served. Inhabitants of New Mexico have used adobe as the prime building material since early in the eighth century.

### Marguerite Mehm Weds John J. Ferris

On Sunday, April 22 in St. Joseph's Church, the Rev. Alfred Glancy united in marriage Miss Marguerite Louise Mehm, daughter of Mr. and Mrs. Carl L. Mehm of 54 Henry street and John James Ferris, son of Mr. and Mrs. Arthur McCann of 67 Ann street. It was a double ring ceremony.

Pink and white carnations decorated the church for the occasion.

Given in marriage by her father, the bride wore an embroidered nylon tulle gown with short sleeves, an embroidered nylon tulle shawl collar with a finely shirred bodice insert and mitts embroidered to match. The gown had inserted panels of embroidered nylon tulle in the skirt which ended in a chapel sweep. Her fingertip veil was gathered to a crown of Chantilly lace. Miss Mehm carried a mother-of-pearl prayer book decorated with white baby ribbon and flowers.

The bride's sister, Kathleen Mehm, was the maid of honor in a ballerina length gown of light blue nylon tulle styled with a full tiered skirt. She also wore a headpiece of pearls and carried a prayer book decorated with white baby ribbon and flowers.

Carl Mehm Jr., brother of the bride, was best man. Ushers included Daniel Mehm, another

brother and a cousin, John Brown.

A reception was held at the Casablanca for approximately 40 guests.

Miss Mehm is a graduate of Kingston High School and is employed by the New York Telephone Company. The bridegroom attended Kingston High School, served three years with the U. S. Marines and is now employed by Bobs Auto Parts.

For her wedding trip to New York city, the bride wore a navy suit with matching accessories and a white carnation corsage.

The couple will make their future home at 161 Bruyn avenue.

## ELLENVILLE NEWS

Ellenville, May 15—Mrs. Erhardt Rosenberger is planning to spend the weekend in New York city.

Howard Kosofsky, son of Mr. and Mrs. David Kosofsky of 87 North Main street celebrated his ninth birthday May 5 with a party. Those who attended were Gary Rogow, Jeffrey Binder, Danny Holt, Gerald Kaufman and David Slutsky. The group attended the movies later.

Mr. and Mrs. E. Faber Jennings, Jr., who were married recently are now settled in a new Sky Line Trailer on North Main street, near the Jennings, Sr.

Dr. and Mrs. Mark Kaplan of Endicott and their children and Mr. and Mrs. Dan Fraydas of Baldwin, L. I., spent the weekend with Dr. and Mrs. David Wainapel.

Hugh L. Hobson of Astoria, L. I., spent the weekend with his aunt Miss Nellie Hobson.

Peter Slutsky, of North Main street was taken ill on Market street Tuesday afternoon and removed to Veterans Memorial Hospital by ambulance.

Mr. and Mrs. Douglas Mosher of Wilmington, Del. spent the weekend with his parents, Mr. and Mrs. Nial Mosher.

Ronald Matthews, who attends Albany College of Pharmacy, spent the weekend with his parents, Mr. and Mrs. Clyde Matthews.

Mr. and Mrs. Frederick Deitch, of Waterbury, Conn. and Mr. and Mrs. Mortimer Hill of Bristol, Conn., visited Sunday with Mrs. Mathilda Stroussman on Warren street. The latter is a sister of Mrs. Hill and Mr. Deitch.

Mr. and Mrs. Thomas Costa of Springfield, Mass., have been visiting for a few days with her mother, Mrs. Priscilla Countryman.

Mr. and Mrs. James McCartney, of Paterson, N. J., visited during the week with his mother and relatives.

Mr. and Mrs. Franklin Hyatt, Sr., of Middletown visited Sunday with their son and daughter-in-law, Mr. and Mrs. Franklin Hyatt, Jr., and family. They attended the Methodist Church service at which their grand daughter, Mary Frances Hyatt joined the church.

Miss E. Evelyn Hawksley, physical education instructor at the local high school, has been ill in Philadelphia, having spent several days in a hospital there. Miss Helen E. Shriver, of Circle avenue, spent the weekend with her.

Mrs. Margaret Lane and her sister, Mrs. Gertrude Ennis of Accord spent Sunday with friends in New York.

Miss Katherine Cox has returned home after spending the winter at the Gralyn Hotel, Miami, Fla.

Mrs. M. C. Van Keuren spent Monday visiting with Mrs. John Myers at Riverdale.

Dr. Helen Campbell of Suffern, spent the weekend with her parents, Mr. and Mrs. Frank J. Campbell.

Sturgis Porter has returned to his home in Mountaintale after his recent illness at the Veterans Memorial Hospital.

Mr. and Mrs. William Terwilliger of Long Lake, visited during the weekend with his parents, Mr. and Mrs. Benjamin H. Terwilliger and her parents, Mr. and Mrs. Eugene Holton.

Mrs. Nicholas G. Russett, Miss Betty Russett, accompanied by E. Michael Russett, spent Saturday in New York city.

Carol Schipp was among the newly appointed guards who reported for work Friday at the Napanoch Institution.

George Fleckenstein of Stratford, Conn., is spending some time at the Fleckenstein home-stand on South Main street.

Mrs. Harry Rogow has been spending a few days this week in New York city.

Allen D. Potter, accompanied by his son, Allen M. Potter, attended an insurance meeting in Syracuse the first part of the week.

Mrs. Howard Orr and children, and Mrs. Anna Couples of Newburgh, visited during the

weekend with Mr. and Mrs. Harold Vernoo.

Mrs. A. Grinbergs visited her father in New York city Sunday.

Mr. and Mrs. Arthur B. Wright, Mrs. Frank Schohner, Barbara Johnson and Mrs. W. E. Saylor, motored to Staten Island on Saturday to attend College Day at Wagner College where Miss Johnson has enrolled for next year.

Paul E. Scraggs, who was recently discharged from the U. S.

Marine Corps as a Sergeant at China Lake, Calif., has been staying with his parents, Mr. and Mrs. Richard M. Scraggs on Canal street. He plans to leave in a few days for California to receive schooling while employed by the International Business Machines Corporation.

Trustees elected Sunday at the Ellenville Methodist Church are: Attorney H. Westlake Coons, Benjamin H. Terwilliger and William Thornton.

Miss Theodora Wittmer, a patient at Veterans Memorial

Hospital, is expected to return home this week.

Mrs. Grace Tinsley has returned home after an extended visit with her daughter, Mrs. Harry Springfield and family at Oakhurst, N. J., and her daughter, Mrs. Howard Harrison and family at Freeport, L. I.

John Sheffield, who is a patient at Mount Sinai Hospital, New York city, spent the weekend with his parents, Mr. and Mrs. Foster Sheffield and family in Elting Court.

Mrs. A. Rose of Kerhonkson, Mrs. Warren Gillespie and Mrs.

John Ludlow, Sr. spent Sunday in New York city.

Raymond Grosch of Brooklyn, spent the weekend with his sisters, the Misses Anna and Margaret Grosch and Mrs. Albert Madden.

Mrs. Tillie Slavin spent the weekend in Brooklyn, visiting her mother, and also her brother and sister-in-law, Mr. and Mrs. Percy Sherman at Rego Park, L. I.

Longest straight-line distance in Texas is 801 miles from the Panhandle's northwest corner to the southern tip of Brownsville.

## Bronx High Student Has Highest Grade

Albany, N. Y., May 16 (AP)—Julius L. Novick, 17, of the Bronx High School of Science posted the highest score in the 1956 Regents scholarship examinations. His grade was 421.5.

Eda S. Alter, also 17, of Midwood High School, Brooklyn, had a mark of 389.5 to lead the girls who took the examinations. The highest possible score was 464.

The New York State Board of

Regents annually awards 3,888 four-year scholarships on the basis of the competitive exams. The awards carry a stipend of \$1,400 payable at the rate of \$350 a year. Winners may attend any Regents-approved college in the state.

The examinations were taken on Feb. 27-28 by 28,000 pupils in 1,200 high schools.

Tides occur in lakes as well as the seas. At Chicago, for instance, there is a two-inch tide in Lake Michigan.

## Glasco-East Kingston LL Names Player Selections

Player selections for the Glasco-East Kingston Little League have been announced by president Fred Davi.

The selections were made at the annual draft meeting. Louis Nardi acted as player agent and Joseph Clausi was the auctioneer.

Since only 60 boys signed up

for the four-team circuit, every one was assigned to a team.

**FOUR TEAMS** in the league are sponsored by Greco Bros., Glasco Fire Department, East Kingston-Flatbush A. C. and the Ferraro Manufacturing Co.

Seasonal opener is scheduled Wednesday, May 23, in East Kingston between the 1955 champion Dodgers and runnerup Yankees of Glasco.

The team rosters:  
**GIANTS:** Joseph Watzka, manager; Mike Celuch, coach; players—Richard Morelli, Joseph Kime, Frank Kime, James Davide, Joseph Palumbo, Gene Kithcart, Arthur Scarselli, Frank Mauro, Joseph Clausi, Robert Mayone, Joseph Carpino, William Kinkel, Roland Ritte, Robert Roucci, Michael Mayone.

**BRVES:** Frank Seravello, manager; players—Edward Kovac, Peter Guido, Fred Pritchett, Frank Gallo, John Crescino, Ernest Bonelli, John Sangi, Anthony Fiore, Frank Seravello, Jr., Daniel Fiore, Dom Berardi, Sal Guido, Bobby Arillo, James Ferdinand, John Perpetua.

**DODGERS:** John Marino, manager; players—Michael Celuch, Frank Guido, Joseph Marino, Drew Demeter, Sal Ferraro, Leonard Robinson, Frank Tatarzewski, Robert Brink, Michael Granato, Gerard Rea, Roger Lindhurst, Bruce Mauro, Melvin Milk, James Naccarato, Thomas McCullough.

**YANKEES:** Bernard Rinaldi, manager; Ed Kime, coach; players—Robert Gallo, Carl Rea, Cosmo Sasso, Tony Quarantino, George Nagy, Fred Francello, Paul Natale, Charles Sangaline, James Nardi, Louis Spada, David Spada, Rudy Mauro, Nicholas Buonfiglio, Matthew De Poala, Doug Kilburn.

## Kugelman Hurls And Bats Sawyer To Big Victory

Francis (Skip) Kugelman, a product of Little League and Babe Ruth League baseball, enjoyed a banner afternoon yesterday as he pitched Saugerties High School into undisputed possession of first place in the Ulster County Athletic League.

The junior righthander let down Highland High on two hits as the Sawyers waltzed to an 11-2 victory and snapped a first place deadlock with the Highlanders. Both teams went into the game at Highland with unblemished loop marks of 5-0.

Besides silencing the potent Highland bats, Kugelman helped himself personally with a tremendous home run over the left field fence and a perfect squeeze bunt good for two RBIs. He also shone on defense, twice fielding his position expertly on tricky plays at first base.

**THE CONTEST** was billed as the first crucial battle in the UCAL with the winner touted as a shoo-in for the championship. On the strength of yesterday's performance, it appears very unlikely that Highland or any other of the five loop teams can head the Sawyers off in their run for the flag.

Kugelman was virtually untouchable after the first inning when Highland got its only runs on a pair of walks and Esua McClinton's triple to deep center. From then on he set the home team on their heels and surrendered only a fifth inning single to John Gruner.

Saugerties got the jump with two runs off Highland's 15-year-old left-handed ace Pete Burdash in the top of the first inning. Murry Craft walked and went to third on Don Whitaker's double. Both scored on George Neher's sharp single.

**BURDASH** dueling Kugelman even until the fifth when Craft exploded a home run over center fielder Johnny Gersch's head to give Saugerties a 3-2 margin.

Everything went wrong for Highland in the fifth as the Sawyers finally got to Burdash and chased him from the mound. Gersch trouped in from the outfield and was treated just as rough as Bill Straub's club rushed five runs over to break the game wide open.

Eddie Riozzi started the uprising with a hit and stole second and continued to third on McClinton's overthrust. After Bill Zeilman walked, Kugelman laid down a perfect squeeze bunt and beat it out as Riozzi scored.

Jim Erceg worked Burdash for a pass which loaded the bases and brought on Gersch. Craft got on with a fielder's choice and everybody went safe as Zeilman beat the throw to home. Whitaker's single netted another run and Joe Martin capped the fun with a ringing double to drive home the final markers of the frame.

**SAUGERTIES** last three runs were scored in the sixth. Hanna reached base on Bob Valentino's error, went to second on a wild pitch, stole third and scored as Riozzi singled. Riozzi, in his anxiety to take the extra base, was thrown out at second on a perfect peg from Burdash who had moved to left field.

Kugelman poked his homer with two down and was immediately mobbed at the plate by his teammates. Erceg tallied the final run on Craft's single after John Sagarese dropped his fly ball for Highland's sixth miscue of the game.

After the first two inning walks, Kugelman didn't issue another pass. He struck out eight and retired the side in order in four innings.

Burdash, of course, was charged with the loss, giving up nine hits and six runs. Gersch was touched up in his short stint for five hits.

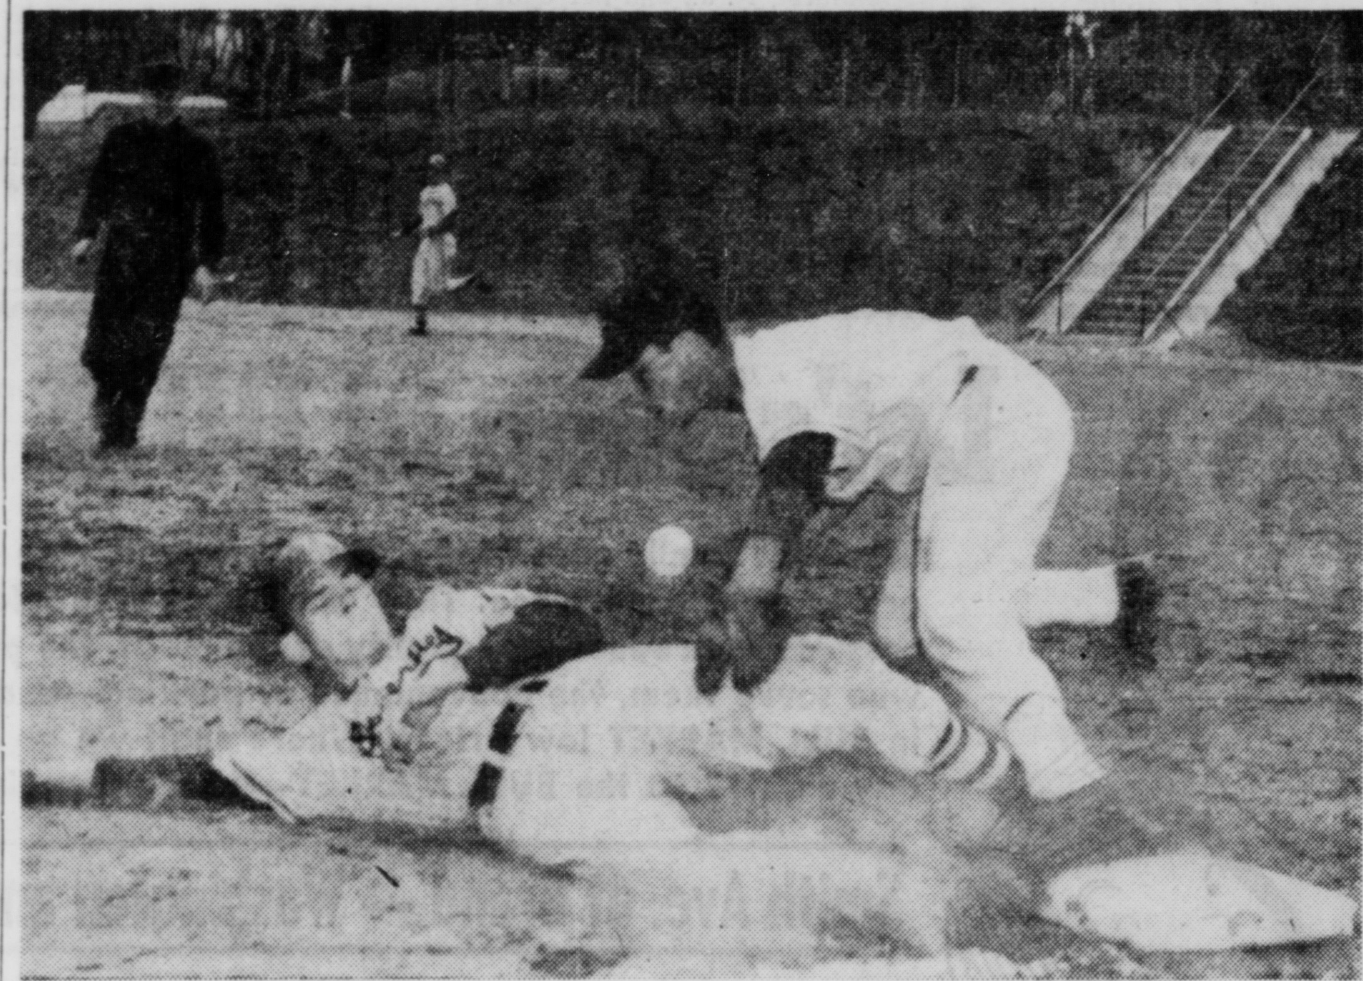

The boxscore:

Saugerties (11)										
Erceg, lf	4	2	0	1	0	0	0	0	0	0

## Junior Baseball

Fraternal Youth League will hold final tryouts for all boys in the 14-15 age group Thursday at Dietz Stadium. Drafting and selection of players will take place at the next regular meeting of the league.

## Kennedy Stricken On Eve of Tour

Mineola, May 16 (AP)—Matthew (Pat) Kennedy, internationally known basketball referee who officiated with the Harlem Globetrotters on their world tours, is critically ill in Nassau Hospital.

A hospital spokesman said Kennedy recently underwent an operation for an abdominal obstruction.

Before he became associated with the Globetrotters, Kennedy officiated many leading college games and also worked games in the professional National Basketball Assn.

## Saxton 8-5 Pick To Trim Turner

Chicago, May 16 (AP)—Johnny Saxton, the newest welterweight boxing champion, rules an 8-5 choice tonight to smother the whirlwind style of Gil Turner in a 10-round over-the-weight boxing bout.

The fight is at Chicago Stadium, scene of Saxton's loudly booed lifting of Carmen Basilio's crown in March and Turner's surprising third-round knockout by weak-hitting Al Andrews in 1954.

It will be televised nationally (ABC, 10 p. m. EDT). Turner once was a terror in the welterweight bracket until Kid Gavilan stopped him in the 11th round of a 1952 title shot.

For the last several years, Turner has campaigned as a middleweight. In January he defeated Jackie LaBua and then lost to Gene Fullmer a month later in his last start.

## Fights Last Night

(By The Associated Press)

Miami, Fla.—Clarence Hin-rant, 161, Washington, stopped Willie Troy, 159½, New York, 7. Spokane, Wash.—Russ Tague, 133, Davenport, Iowa, outpointed Bobby Woods, 135, Spokane, 10. Holyoke, Mass.—Bobby Courchesne, 133, Holyoke, stopped Dom Sacco, 134, Boston, 4.

Schenectady Blue Jays also performed well on the mound, allowing six-hits to the visiting Allentown Redbirds for a 9-0 shutout. The Albany Senators downed the Reading Indians 7-3 at Albany although they were outlit 11-8.

## Chief Pitcher Hurls 1-Hitter

(By The Associated Press)

Dick Duffy of the Syracuse Chiefs produced one of the best pitching performances of the year in the Eastern League last night. And Chuck Bueller of the Williamsport Grays did the same in the hitting department.

Mill Collins of the visiting Johnstown Johnnies touched Duffy for a first inning, leadoff single. But Duffy didn't give up another hit as the Chiefs went on to swamp the Johnnies 10-0.

**BUELLER**, who had been hitting only .259, drove in six runs as he cracked two homers, a triple and a single in four trips. The six runs were the margin by which the league-leading Grays downed the Triplets 9-3 at Binghamton.

Southpaw Dick Bunker of the

# Twaalfskill Club Slates 1956 Golf Calendar

The Twaalfskill Club, through its tournament chairman, Floyd W. Flint, today announced the most comprehensive and interesting golf calendar in the history of the club.

More than sixteen different types of tournament in addition to the standard events were listed by Mr. Flint and his committee.

The tournament season opens this weekend with a match play against par event with full handicap over 18 holes. Members can play either Saturday or Sunday with the kickoff cocktail

party of the season starting Saturday evening at 5 p. m.

**NEW TOURNAMENTS** include a handicap driving contest, a club Seniors championship and a specialist tournament in which three players make up a team.

The season winds up on Saturday, Oct. 6, with the club hosting Northeastern PGA pros in the annual Pro-Member tournament.

Serving with Mr. Flint on the 1956 golf committee at Twaalfskill are J. W. Johnson, Clarence "Dubby" Raiche, Fred J. K. Ertel, Joseph O'Connor, John J. Van Gonsic and Charles J. Tiano.

## MAY

Saturday, May 19—Match play against par (18 holes).  
Sunday, May 20—Match play against par (18 holes).

## JUNE

Saturday, June 2—President's Cup (36 holes, handicap).  
Sunday, June 3—President's Cup (36 holes, handicap).  
Saturday, June 9—President's Cup (36 holes, handicap).  
National Golf Day.  
Saturday, June 10—Inter-club match at Ellenville.  
Saturday, June 16—Father Herdgen Memorial (first round).  
Sunday, June 17—Mixed two-ball foursome.  
Sunday, June 24—Member-Guest tournament.  
Saturday, June 30—Club Seniors (18 holes, full handicap).

## JULY

Sunday, July 1—Club Seniors (18 holes, full handicap).  
Wednesday, July 4—Flag tournament. Handicap driving contest on No. 8 hole.  
Sunday, July 8—Interclub match with Woodstock.  
Saturday, July 14—Specialist tournament (13 holes).  
Sunday, July 22—Interclub match at Woodstock.  
Saturday, July 28—Qualifying round (club championships).  
Sunday, July 29—Qualifying round (club championships).

## AUGUST

## SEPTEMBER

Saturday, September 1—Finals club championship (36 holes).  
Sunday, September 2—Club doubles (18 holes).  
Monday, September 3—Club doubles (18 holes). City championship playoff (36 holes).  
Saturday, September 8—Club doubles championship (18 holes).  
Sunday, September 9—Club doubles championship (18 holes).  
Saturday, September 15—Club doubles championship (18 holes).  
Sunday, September 16—Club doubles championship (18 holes).  
Saturday, September 29—Mixed two-ball foursome.  
Sunday, September 30—Interclub match with Ellenville.

## OCTOBER

Saturday, October 6—Northeastern PGA Pro-Member.

## Middie Netmen Defeat Maroon In DUSO, 4-1

Middletown High's powerful tennis squad remained undefeated with a 4-1 victory over Kingston at the Middie courts.

The Middies have dropped only three sets this season.

Chipo Villages defeated Ronnie Schoonmaker of Kingston in the No. 1 singles, 6-0, 7-5.

**JIM MCCOY** of MHS whipped Hans Wolfe, 6-4, 6-1, in the No. 2 singles.

Jeff Rosen made a clean sweep for the Middies in the singles with a 6-1, 6-0 triumph over Dirk Oudemool of Kingston.

Schoonmaker and Oudemool

teamed in the doubles to give Kingston its lone victory by a 6-1, 6-3 margin over Earl Spears and John Artmann.

Justine Morreale and Norman Dubin of Middletown defeated Ted Peck and Gary Johnson of Kingston in the second doubles, 6-1, 12-10.

**Eleanor's Baby Pays \$41.30 at Roosevelt**

Westbury, May 16 (AP)—Eleanor's Baby, the longest shot on the board, won the \$4,000 Locust Valley Pace by a nose in 2:05 1/5 over Betram Hanover to return \$41.30 at Roosevelt Raceway last night.

It was the first start of the season for Eleanor's Baby, a 5-year-old bay mare owned by John J. Fleck of Indianapolis and driven by Bill Hudson. Scotch Byrd was third.

## Supreme Court Ruling Blasts Santee's Case

New York, May 16 (AP)—The Amateur Athletic Union, which appeared to be buckling under the relentless pressure of the Wes Santee case during the past month, emerged today from the drawn-out legal battle more powerful than ever.

For Santee, America's greatest miler who took a long gamble by bringing the AAU to court on a legal technicality, it marks the end of the line as a competitor.

In upholding the lifetime ban imposed on Santee by the AAU, Justice Walter A. Lynch of the New York State Supreme Court yesterday minced no words in condemning the gangling 23-year-old Marine Corps lieutenant for openly flouting the AAU's expense rules. He was set down last Feb. 19 after being found guilty of accepting about \$1,500 in excessive expenses in seven meets last year.

Had Santee won the case, the AAU would have been reduced to nothingness. But the organization, which rules most amateur sports in this country, never has lost a court case challenging its authority—and it probably will be a long time before anyone else brings suit.

## BrooksBuy Old Jint Sal Maglie

The Brooklyn Dodgers announced the acquisition of an old tormentor and nemesis yesterday.

Sal "The Barber" Maglie of the Cleveland Indians, who haunted the Brooks for years as a New York Giant pitcher, was purchased for a reported \$15,000. Maglie had a 23-11 lifetime record against the Dodgers and in his peak years of 1950-1954, Sal stood 22-6 against the Bums with a 11-1 mark at Ebbets Field.

**MAGLIE** has had little chance to work for the pitcher-rich Indians this year. He has worked only five innings, allowing five hits and one run while striking out four and walking two.

In other trades before the Thursday deadline, Chicago White Sox sold pitcher Harry Byrd to the Charleston club of the American Association.

Brooklyn Dodgers sold relief pitcher Jim Hughes to the Chicago Cubs.

Detroit Tigers traded Fred Hatfield, 31, an infielder and Jim

## Mustion, Gilman Homer

# Kerhonkson Outslugs Wallkill Nine, 13-11

## UCAL Standings

Saugerties	6	0
Highland	5	1
Marlboro	3	2
Kerhonkson	3	4
Ontera	2	3
Wallkill	1	5
New Paltz	0	5

John Mustion and Tom Gilman powered a pair of home runs each as Kerhonkson High School outslugged Wallkill Central, 13-11, yesterday to snap a four-game losing streak.

Mustion's clouts were his second and third in two days and fifth overall in the Ulster County Athletic League this season. He also spiked a double and drove in four runs.

Gilman's circuits were good for three runs. Like Mustion he slammed his first with none on and second with one aboard.

**MUSTION** had to relieve in the sixth with two out to preserve the victory which was Kerhonkson's third as against four losses. He strolled in from centerfield and got the last four outs on strikes.

Alex Dembroski started for Wallkill but was kayoed in the second inning as Kerhonkson scored seven runs. Henry Hect took over and was charged with the loss after the Hattowners knotted the count at 7-11 in the fourth. The freshmen lefthander was nicked for a run in the bottom of the inning and four more in the fifth as Kerhonkson seved up the decision.

The loss for Wallkill was its fifth in six games.

Delsing, 30, an outfielder, to the Chicago White Sox for Jim Brideweiser, 29, a shortstop and Bob Kennedy, 35, an infielder-outfielder.

## Canadian Club Put Up for Sale In Pony League

Buffalo, May 16 (AP)—Baseball interests in Hamilton, Ont., must decide by tomorrow whether they wish to continue operating a franchise in the Class D Pony Baseball League.

The club franchise was returned to the league yesterday, and league president Vince McNamara immediately announced that anyone else in the Canadian city wishing to take over the club would have 48 hours to make the decision.

Otherwise, McNamara said he would have no alternative but to relocate the team. McNamara said Elmira was a possible site.

Michael Palmieri, an Elmira restaurant owner, said last night he would be interested in operating a franchise if a satisfactory working agreement could be obtained with a major league club. Meanwhile, Hamilton will finish out this week's schedule. The Red Wings defeated the Oilers in Olean last night, 10-6.

ish out this week's schedule. The Red Wings defeated the Oilers in Olean last night, 10-6.

## Yesterday's Stars

(By The Associated Press)  
**PITCHING**  
Bob Keegan, White Sox—scattered nine hits and stretched his perfect earned-run average over 21 2/3 innings by defeating Washington 5-1 with a complete

game in his first start of the season.

**HITTING**  
Willie Mays and Don Mueller, Giants—each collected three hits, including a home run apiece, and drove in five runs between them to beat the Cubs 6-4.

Experiments prove that the rays of the southern California sun can kill a sidewinder rattlesnake in nine minutes.

# New Paltz State Nine Trounces Albany, 8-2

## Horse Show Set At Windon Farm

Sixth annual Newburgh Lions Club horse show will be held Sunday, May 27, at Windon Farm, Cornwall-on-Hudson. Judging in 28 classes will begin at 11 a.m. In the event

of rain the show will be postponed to June 3. Jack Spratt of Westbury, L. I., has been invited to judge the show. Entry blanks are available at the farm or at 71 Johnston street, Newburgh.

The eagle was adopted as insignia for the rank of colonel in the U. S. Army on June 11, 1832.

## Hawks Pound 19 Safeties Behind King's Pitching

New Paltz Teachers College whacked 19 hits to drub Albany State Teachers, 8-2, yesterday at the Capital city and capture its second win in seven games. Dick King coasted behind the hit-barrage, scattering eight hits. Albany got its runs in the fifth on a walk, Overton's single and Feirro's triple.

The Hawks got a run in the first inning on hits by Bill Moslander, John Hussnatter and Bob Miller.

THEY WRAPPED up the decision in the next frame, scoring four times. Tom Murphy and Moslander doubled back-to-back for the first run and the latter tallied when Bob Schoonmaker's ground ball was booted. Schoonmaker raced home on Hussnatter's three bagger with the third run of the frame. An error on Miller's bouncer al-

lowed Hussnatter to count. King struck out three and walked six and his rival Caldwell, who went the route, fanned nine and issued five free tickets.

The boxscore:

## Saugerties JVs Rip Highland for 4th Victory, 10-6

The Saugerties High School Jayvees broke loose for six runs in the first inning and then coasted to a 10-6 victory over the Highland High yearlings yesterday at the Sawyer's diamond.

Dick Elliott went the route for the winners, yielding three hits, striking out nine and passing three. Highland used two hurlers, Penny and Mandia, with the former the loser.

Larry Risdal doubled and Don Mormile tripled for Bud Smith's team for the only extra base hits of the game.

The win was the Sawyers fourth in five games.

## J. Ferraro's 197 Highest Average In Major League

Few bowling experts will be surprised when they look at the top of the Ferraro Major League individual average finals for the 1955-56 season.

There's Johnny Ferraro's name right on top with a 197.29 average for 102 of the league's 105 games. Runnerup is Charlie Manfro with 193.50 and Jackie Ferraro, John's son, ranks third at 192.72. Jerry Oster (192.29) and George Shufeldt (191.70) round out the top five.

Ferraro also took down two individual prizes with a 288 solo and 701 series, the only one of the season. The championship Rheingold Beer squad tapped 3154 for high team games and Capri had 1102 best team game.

The averages:

Name	Games	HI-3	Avg.
J. Ferraro	102	701	197.29
Manfro	96	680	193.50
Ferraro Jr.	105	652	192.72
Oster	99	668	192.29
Shufeldt	102	674	191.70
Brookie	105	690	191.41
Kelder	96	666	190.84
Howard	81	675	190.48
Birchall	93	637	190.39

# Mr. Truck Buyer! Why turn your back on the facts?

## Your best buy is DODGE...and we can prove it!

Buying a new truck is pretty serious business—not exactly a dime-store affair. So why risk not getting the best buy?

Doesn't it make sense to take a few minutes and check to see for yourself just how much more Dodge actually gives you per dollar?

You'll find Dodge leads other makes in the really important ways. For example, when you buy a Dodge, you get:

1. Maximum hauling power. Dodge sets the pace for the entire industry in many models!

2. Top payload capacities—up to 22% more!

3. Lowest operating costs. Exclusive V-8 Power-Dome combustion milks extra miles from every gallon, practically eliminates power-robbing carbon.

4. Sharpest turning—makes parking easier, cuts time loss in maneuvering through traffic.

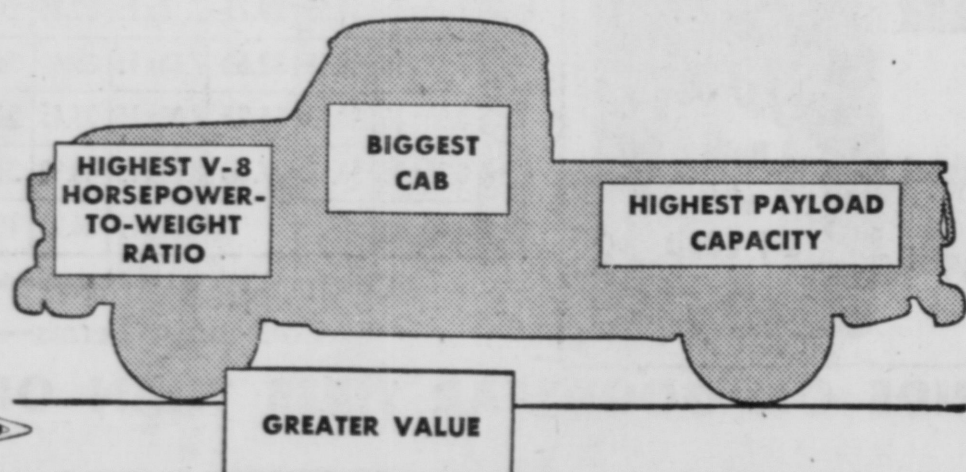

5. Biggest cab—for real comfort on even the longest hauls.

6. Low cost—lower than any other make for many models.

Do right by yourself—take a few minutes to look into DODGE before you buy your new truck. After all, why pay more and get less?

## Premium in every way!

## Sells at regular gas price!

# New '56 Blue Sunoco

## Used by more Auto Engineers than all other premium gasolines combined!

We recently invited a large group of automotive engineers to try New 1956 Blue Sunoco, boosted in octane, in their own cars and give us their reactions. The results of this survey compiled by an independent firm of certified public accountants make

Blue Sunoco the favorite. Of the 1,166 engineers who reported, 43% told us they were already users of our gasoline.

This was a far greater number than reported using all other premium gasolines combined—perhaps the greatest testimonial any gasoline ever had!

Follow the lead of automotive engineers, the men who have once again chosen Blue Sunoco as their favorite gasoline. Make your own 10-gallon test today.

### COMPARISON CHART

This is what auto engineers reported after comparing Blue Sunoco with premium-priced gasolines in their own cars

93% say Blue Sunoco matches or exceeds premium-priced brands for overall performance	91% say Blue Sunoco matches or exceeds premium-priced brands for power and pick-up
85% say Blue Sunoco matches or exceeds premium-priced brands for anti-knock performance	86% say Blue Sunoco matches or exceeds premium-priced brands for miles per gallon

America's Greatest Gasoline Value!

## The only gasoline that meets new higher premium octane standards and sells at regular gas price!

## White Sox Gone Crazy Suddenly

By ED WILKS

The Associated Press

What's gotten into the Chicago White Sox? All of a sudden they're belting the ball like crazy in support of a pitching staff that takes its lumps but somehow has managed to choke off opponent runs to fashion a five-game winning streak.

Before the Sox spurt they had lost seven-of-nine and any talk of American League pennant contenders stopped with Cleveland, New York and Boston.

Then boom! The Sox began clubbing the ball to make up for some shaky pitching, and now that the mound staff looks to have found itself, the hitters are still at it. In the five games, Chicago has collected 65 hits—an average of 13 a game—including nine doubles, two triples and seven home runs.

**THEY WENT AT** it again last night, piling 14 hits off four Washington pitchers to beat the Senators 5-1 while Bob Keegan, in his first '56 start, pigeon-holed nine Nat hits. The only Washington run was unearned, as Keegan, bothered by an injury last season, went the distance and stretched his perfect 0.00 earned run average over 212.3 innings.

It was the second straight complete game by the Sox staff. Billy Pierce went all the way on a 10-hitter to beat Detroit 8-1 Sunday—giving Manager Marty Marion's hurlers a record of allowing 19 hits in 18 innings, while being tagged for only one earned run.

The victory pushed the Sox to within 1½ games of the AL lead, virtually held on a joint basis by Cleveland and New York, who were rained out last night. Baltimore clipped Kansas City 9-5 and Detroit battered Boston 6-3.

**IN THE NATIONAL**, Brooklyn used four unearned runs for a fifth straight victory in a 7-5 decision over St. Louis. Philadelphia, behind ex-Cardinal Stu Miller, beat Milwaukee 3-1 to end a 10-game losing streak. And the New York Giants, with four straight defeats, outlasted the Chicago Cubs 6-4. Cincinnati and Pittsburgh were rained out.

Rookie shortstop Don Blasingame contributed two errors and Pee Wee Reese unloaded a three-run homer as the Dodgers scored their four unearned markers in the fourth to hand Tom Poholsky his first loss. He had won three. Gil Hodges homered in a three-run Brooklyn first, while Bill Virdon delivered a three-run blow for the Cards.

Reliever Clem Labine was the winner, making it seven straight over the Cards since June 12, 1952. He hasn't allowed them a run over 24 consecutive innings.

**MILWAUKEE**, in the NL lead by 36 percentage points over St. Louis and only a game ahead of third place Brooklyn, got a run off Miller in the seventh at Philadelphia, but the little right-hander hung on to win his first complete game since Sept. 15, 1953. It was his first appearance as a Phil following Friday's five-pitcher trade. Lew Burdette gave only two hits for six innings, but a triple by Jim Green-grass tied it and Willie Jones' single put the Phils into the lead in a two-run seventh.

Willie Mays and Don Mueller each homered and collected three hits, for five RBIs between them, as Johnny Antonelli hung on to dump the Cubs into the cellar. He didn't allow a hit for four innings. Ernie Banks homered in the ninth with a man on for the Cubs.

### Tribes, Bucs in Deal

Cleveland, May 16 (P)—The Cleveland Indians today sold pitcher Jose Santiago to Baltimore in a straight cash deal and traded catcher Hank Foiles to Pittsburgh for first baseman Preston Ward. Ward, 28, hit 212 in 84 games last season and drove in 25 runs. He appeared in 15 games this year, collecting eight hits in 27 times at bat. Santiago, brought up from Dallas in 1954, hasn't pitched so far this season. Foiles, bought from Cincinnati in 1953, has played only one inning this year.

### Extension of YM Program Heard

Extension of the YMCA program into the homes of outlying districts was discussed by Louis Schafer, general secretary, in his report to the YMCA Board of Directors Tuesday night.

The secretary, stressing "Current Trends in Youth Program," mentioned the family group membership and program work in the Y.

**HE REFERRED** to the growing Kingston area and said in other areas, due to heavy traffic congestion on city highways, buses are used to transport members of YMCA's to the Y building for meetings and events.

"The local Y is thinking of extending its program into the homes in outlying districts," he said and added "we therefore could reach more people in a more far-reaching and educational social program."

**OTHER REPORTS** included: Clarence S. Rowland, Jr., membership; Chester A. Baltz, Jr., boys and youth program; Elmer A. Ryland, Junior Day Camp, and Clifford G. Smith, finance.

Attending the meeting were Herbert DeKay, president; Clifford G. Smith, vice president; Elmer A. Ryland, Emil G. Boessneck, Chester Baltz, Jr., James Guttridge, Al Harder, William O'Reilly, Clarence S. Rowland, Jr., Earl Soper, Louis Schafer and William Ireland, physical director at the Y.

Mr. Schafer led the group in devotions.

### Treasury Receipts

Washington, May 16 (P)—The cash position of the treasury May 11, 1956: Balance, \$5,757,610.801.09; deposits fiscal year July 1, \$60,629,344,240.08; withdrawals fiscal year, \$61,354,291,069.98; total debt, (x) \$275,750,425,186.48; gold assets, \$21,768,594,317.59; (x) includes \$465,724,872.30 debt not subject to statutory limit.

### Mrs. Clark May Implicate 'Lover'

Newburyport, Mass., May 16 (P)—Attractive Mrs. Lorraine Clark, 33, serving life after admitting she killed her husband, is scheduled to go before a Grand Jury today in a unique reopening of the spicy murder case.

The four Boston morning papers say Mrs. Clark is expected to tell the jury that her "lover," Arthur Jackson, 24, had a hand

in her husband's death. Jackson is serving three years in Salem jail for adultery with Mrs. Clark, a mother of three. State Atty. Gen. George Fingold told newsmen last night: "We feel we have gathered some very strong evidence indicating the participation of someone else" (in the slaying).

Fingold reopened the case after Jackson was taken from his cell in Salem jail to the women's reformatory in Framingham to confront Mrs. Clark.

## Restaurants Along Thruway Report \$700,000 Gross

Albany, N. Y., May 16 (P)—Restaurants along the New York State Thruway did a gross business of over \$700,000 in the first four months of 1956, a spokesman for the authority said today.

The 13 restaurants, seven of which are permanent installations, appeared well on the way to surpassing the more than two-million-dollars in gross sales last year, the spokesman told a reporter.

The permanent restaurants, at LeRoy, Clifton Springs, Junius Ponds, Canastota, Pattersonville, South Schenectady and Port Byron, totaled \$507,100 through April. The temporary snack shops at Batavia, Fultonville, Syracuse, Utica, Kingston and Albany, took in \$264,492.

The restaurants, operated by three private companies, pay the authority about 16 per cent of the gross income, the spokesman said.

The authority's slice of last year's \$2,289,461 was \$240,171, less than 16 per cent, because the take was adjusted according to the temporary or permanent

status of the restaurants, he said. Hot Shoppes Inc., Washington, D. C., operates the restaurants between New York city and Albany. The Union News Co., New York city operates those between Albany and Syracuse. Restaurant Associates Inc., New York city, operates those between Syracuse and Buffalo.

## Eight Lost Lives In Indiana Crash

Jeffersonville, Ind., May 16 (P)—Investigators examined the twisted and scattered remains of a private airliner today trying to learn the cause of its tragic plunge to earth.

Eight persons, including six business executives en route to a convention in Louisville, Ky., died yesterday when the plane roared out of low-hanging clouds into a muddy field.

Witnesses said the twin-engine, 14 or 15-passenger Lockheed Ventura plunged to earth in a spin and exploded.

It was owned by the Crane Co. of Chicago. Two vice presidents of the firm, George Erwin Jr. and James A. Dwyer, were among the victims.

The pilot, Randolph Mulhern, radioed into Louisville's Stand-

ford Field for landing clearance a few minutes before the crash. There was no indication then the craft was in trouble.

## Lowe Brothers HIGH STANDARD HOUSE PAINT

### WHY HIGH STANDARD COSTS LESS TO USE

1. Covers solidly more square feet of surface.
2. Has an unusually high percentage of non-evaporating film forming solids.
3. Wears down slowly and evenly—leaving an excellent repainting surface.
4. Made to give extra years of protective service.

High standard colors are selected to be in keeping with latest color trends.

# The Weather

WEDNESDAY, MAY 16, 1956  
Sun rises at 4:35 a. m.; sun sets at 7:10 p. m., EST.  
Weather: Cloudy.

**The Temperature**  
The lowest temperature recorded on The Freeman thermometer during the night was 54 degrees. The highest figure recorded up to noon today was 58 degrees.

**Weather Forecast**  
NEW YORK CITY: Clouds breaking with some sunshine this afternoon and temperatures rising close to 70 degrees. Fair and cooler tonight with lowest temperatures 45 to 50 degrees. Thursday, mostly sunny with afternoon temperatures in the middle or upper 60's. Fresh westerly winds this afternoon and tonight and moderate west to southwest winds Thursday.

**OUTLOOK**—Friday, partly cloudy and warmer with slight chance of a few showers; Saturday, mostly fair and warm.

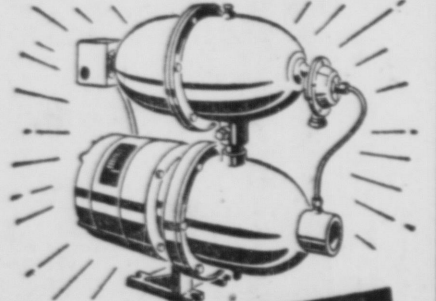

**INCREASING CLOUDINESS**  
EASTERN New York: Intermittent rain this morning followed by partial clearing with scattered showers this afternoon and highest temperature between 55 and 60 in the north and between 60 and 65 in the south portion. Clearing and cooler tonight with scattered frost. Lowest temperature tonight between 30 and 35 in the north and between 35 and 40 in the south portion. Thursday increasing cloudiness and moderate temperature with showers likely at night. Highest temperature Thursday between 55 and 65.

Because of their poorly-developed voices, giraffes communicate with each other mainly by switching their tails.

# Most of East Has Showery Weather

(By The Associated Press)  
Showers sprinkled the eastern quarter of the nation today but dry weather prevailed in all other sections of the country.

Scattered light showers extended over the eastern Great Lakes region southward through the Ohio valley and eastward through the Middle Atlantic coast states and into New England. Light rain fell in parts of Tennessee, Mississippi, Alabama and Georgia.

Skies were mostly clear west of the Rockies and generally fair weather was reported over the Plains states, the Mississippi valley and most of the southeast. There was a cooling trend over the Great Lakes region and the upper Mississippi valley with early morning temperatures mostly in the 30s and 40s. It was a little below freezing in some northern midwest areas. Cooler weather also was reported in the Ohio valley, Tennessee and the lower Mississippi valley.

**Actor, Wife Hurt**  
Terracina, Italy, May 16 (AP)—Film actor Richard Basehart and his actress wife, Valentina Cortese, were injured last night when their car plunged off the Naples-Rome highway. Their 5-year-old son, Jack, and his English nurse were not hurt. The cause of the accident is not known. A spokesman at the Terracina Hospital said Miss Cortese received severe cuts on her head and that both she and Basehart were suffering from shock.

**Now you Know!**  
The answers to everyday insurance problems\*  
By HERMAN J. EATON

**QUESTION:** Is it wise for a new business which is heavily in debt to take on the added expense of Business Interruption insurance?

**ANSWER:** Much more so than an established financially stable firm. Without it the new firm can be bankrupted by a fire which shuts off its income for even a short time. The debts would still be there.

\* If you'll address your own insurance questions to this office we'll try to give you the correct answers and there will be NO CHARGE or OBLIGATION of ANY KIND.

# Hunt Circus Is Coming June 25 For Scout Camp

Charles T. Hunt, dean of American circusmen, will bring the Hunt Three-Ring Circus to Kingston for two performances on Monday, June 25, afternoon and evening.

The Hunt Circus began in Kingston in 1892, and for 63 years the brain-child of Charley Hunt has toured the eastern section of the United States.

The Hunt Circus will play in Kingston under the sponsorship of the Committee for Rip Van Winkle Boy Scout Camp—a group of interested citizens who are donating their time and effort toward increasing the facilities of the local Boy Scout Camp TriMount at East Jewett. A percentage of the advance sale of tickets to the June 25 circus will be turned over to a special camp fund by the promoting committee headed by Henry P. Eighmey, local scout leader and a circus enthusiast who recently had his miniature circus on display at the Sportsmen's Show.

In commenting on the possibility of the financial returns on the advance ticket sales, Mr. Eighmey pointed out that the presentation of the Hunt Circus in the city where it originated offers the public an opportunity to view one of the finest "typical" circus programs now available. "And the Boy Scout camp, jammed to capacity for the coming season, can well use whatever funds we can acquire."

**Food Prices Up**  
New York, May 16 (AP)—Wholesale food prices as measured by Dun & Bradstreet rose sharply this week to their highest level since last October. The food price index stood at \$6.14 today, compared to \$6.03 last week and \$6.37 a year ago. Previous high for the year was \$6.04 registered for two successive weeks on April 24 and May 1. The current index is the highest since last Oct. 4 when it reached \$6.17.

**Joseph Anastasio Dies**  
New York, May 16 (AP)—Joseph Anastasio, 51, a pier boss in the waterfront family known as the "Brothers Anastasia," died Sunday in Long Island Hospital. The hospital declined to give the cause of death. The pier boss preferred to spell his name with an "o" ending, unlike his brothers, Albert Anastasio, once identified with "Mafia, Inc.," Anthony (Tough Tony) Anastasio, Brooklyn longshore boss; and Gerardo (Jerry) Anastasio, long associated with Anthony.
